Captain Cook Post Office
Kona, Hawaii

Dear Mr. Greenwell:

At its meeting on June 7, 1968, in Honolulu, Hawaii, the Land Use Commission voted to approve that portion of your boundary amendment application A67-170 between a line parallel with but set back 1,000 feet mauka of the Conservation District boundary line at the top of Kealakekua pali and Napoopoo Road, from the Agricultural District to an Urban District, identifiable by Tax Map Key 8-2-02 (portion) at Kealakekua, South Kona, Hawaii as indicated on the enclosed map.

Plotted Changes on TMK & SLU Map 6-20-68

We would sincerely appreciate two (2) prints of your 100 scale development plan which shows topography in order that we may also plot the new Urban-Agricultural District boundary line. One copy will remain in the Land Use Commission files and one will be returned to you for your information and records.

Very truly yours,

RAMON DURAN
