\_\_\_\_\_, desires to enter into an  
agreement with the Planning Department of the County of Hawaii  
(hereinafter "County"); and

WHEREAS, there exists a single family dwelling on land  
which is within the exclusive use, possession, and control  
of Owner and which is legally described as follows:

TMK: 4-4-11:15  
Contains a land area of 36.50 acres.  
Grant 4062 & 4065  
Kaapahu Homesteads, Hamakua, Hawaii

and zoned A-5a

by the County of Hawaii and classified within an agricultural  
district by the State Land Use Commission; and

WHEREAS, Owner seeks the County's approval for the  
construction of an additional single family dwelling (hereinafter  
"farm dwelling") on the property described above; and

WHEREAS, Owner intends to conduct substantial agricultural  
activity on the subject property in furtherance of the State

Land Use policies relating to agricultural land and has commenced initial agricultural activity which, if pursued, will develop into a viable and substantial undertaking.

NOW, THEREFORE, IT IS AGREED that the County's approval is given and accepted, subject to the following conditions:

1. The farm dwelling shall be used to provide shelter only to persons conducting agricultural activity on the subject land; and

2. The existing dwelling shall be used in connection with a farm or where agricultural activity provides income to the family, as defined in section 1-4, part I, State Land Use District Regulations, Land Use Commission, which occupies the dwelling; and

3. Owner grants to the County the right-of-entry, after reasonable notice, for inspection of the premises to assure compliance with provisions of this agreement; and

4. This agreement shall run with the land and bind Owner's heirs, successors, and assigns with regard to the future use of the dwellings above described; and

5. The County's approval of the construction of the farm dwelling by this agreement shall be effective only while the property ~~until~~ remains in agricultural use, unless otherwise extended pursuant to Owner's written request prior to the above termination date. After such timely request, the County shall extend its approval upon the terms of this agreement only if it determines that the agricultural activity that is being conducted is viable, substantial in income production, and conforms to the applicable provisions of the State Land Use District regulations and policies; and

6. Owner shall record this agreement with the State of Hawaii Bureau of Conveyances and shall furnish a recorded copy of it to the County's Planning Department within six (6) months from the date of approval of the building permit for the farm dwelling; and

7. Failure of Owner to abide by this agreement shall result in the immediate removal of the farm dwelling by Owner at Owner's expense upon demand by County. Upon Owner's failure to remove the farm dwelling within one month after demand is made by the County, the parties agree that this agreement will be a nullity and the County may treat the additional farm dwelling as a violation of Chapter 205, Hawaii Revised Statutes, as amended, and applicable ordinances then in existence. This enforcement provision shall be binding on Owner's heirs, devisees, successors, and assigns.

IT IS HEREBY FURTHER AGREED that if this agreement is with a lessee, the legal owner shall be a party to this agreement.

IT IS HEREBY FURTHER AGREED that should the pertinent provisions of the State and County laws, rules, and regulations change to authorize said dwelling, upon request of the undersigned, this agreement may be reconsidered for possible amendment and/or severance.

IN CONSIDERATION OF THE AFORESAID, the County hereby accepts this agreement as being in conformity with Section 2.14 of the State Land Use District Regulations and Chapter 205, Hawaii Revised Statutes, as amended, relative to permitted uses within the Agricultural District.
