"County"); and

WHEREAS, there exists a single family dwelling on land which is
within the exclusive use, possession, and control of Owner and which
is legally described as follows:

Ahupuaa of Kiilae
Legal description of two pages attached

and zoned A-5a/A-20a
by the County of Hawaii and classified within an agricultural
district by the State Land Use Commission; and

WHEREAS, Owner seeks the County's approval for the construction of an additional single family dwelling (hereinafter "farm dwelling") on the property described above; and

WHEREAS, Owner intends to conduct substantial agricultural activity on the subject property in furtherance of the State Land Use policies relating to agricultural land and has commenced initial agricultural activity which, is pursued, will develop into a viable and substantial undertaking.

NOW, THEREFORE, IT IS AGREED that the County's approval is given and accepted, subject to the following conditions:

1. The farm dwelling shall be used to provide shelter only to persons conducting agricultural activity on the subject land; and

2. The existing dwelling shall be used in connection with a farm or where agricultural activity provides income to the family occupying the dwelling as defined in Section 15-15-03, Subchapter 1 of the Hawaii Land Use Commission Rules; and

3. Owner grants to the County the right-of-entry, after reasonable notice, for inspection of the premises to assure compliance with provisions of this agreement; and

4. This agreement shall run with the land and bind Owner's heirs, successors, and assigns with regard to the future use of the dwellings above described; and

5. The County's approval of the construction of the farm dwelling by this agreement shall be effective only until such agricultural use ceases, unless otherwise extended pursuant to Owner's written request prior to the above termination date. After such timely request, the County shall extend its approval upon

6. Owner shall record this agreement with the State of Hawaii Bureau of Conveyances and shall furnish a recorded copy of it to the County's Planning Department within six (6) months from the date of approval of the building permit for the farm dwelling; and

Upon Owner's failure to remove the farm dwelling within one month after demand is made by the County, the parties agree that this agreement will be nullity and the County may treat the additional farm dwelling as a violation of Chapter 205, Hawaii Revised Statutes, as amended, and applicable ordinances then in existence.
