Dear Mr. and Mrs. Bolton:

**SUBJECT:**            **Additional Farm Dwelling Agreement**  
                  **Applicants:**            **Daniel B. and Janet T. Bolton**  
                  **Land Owners:**            **Same**  
                  **State Land Use:**        **Agricultural**  
                  **County Zoning:**        **Agricultural (A-20a)**  
                  **Land Areas:**            **254.828-acres**  
                  **Tax Map Keys:**        **(3) 7-6-001:004**

Pursuant to authority conferred to the Planning Director by Chapter 25, Article 5, Division 7, Section 25-5-77 of the Zoning Code and Planning Department Rule 13, Farm Dwellings, we have reviewed your request for an additional farm dwelling on the subject property. Your submittals included the following information:

1. A notarized affidavit that the additional dwelling shall be used for farm-related purposes in the form of the enclosed Additional Farm Dwelling Agreement to be submitted for recordation with the Bureau of Conveyances.
2. Name and address of the landowner(s) or lessee(s), if the latter has a lease on the building site with a term exceeding one year from the date of the farm dwelling agreement.
3. Written authorization of the landowner(s) if the lessee filed the request.
4. A farm plan or evidence of the applicant's continual agricultural productivity or farming

operation within the County, including an explanation of why this additional farm dwelling is needed in connection with the agricultural productivity or farming operation.

Your farm plan included the following ongoing and proposed income producing agricultural activities:

(a) Ongoing agricultural activities include the following:

i. 60 acres of producing coffee trees.

(b) Proposed agricultural activities include the following:

i. Establishment of a coffee mill on five acres with a 12,000 sq. ft. building and;

4. In support, evidence of a State of Hawaii Department of Taxation's General Excise (GE) Tax License has also been presented.

Findings:

1. In Chapter 205, Hawaii Revised Statutes (HRS), the State Land Use Law does not authorize residential dwellings as a permitted use in the State Land Use Agricultural district unless the dwelling is related to an agricultural activity or is a farm dwelling. A **farm dwelling** as defined in Section 205-4.5, Chapter 205, HRS, **means a single family dwelling located on and used in connection with a farm,** including clusters of single family farm dwellings permitted within agricultural parks developed by the State, **or where agricultural activity provides income to the family occupying the dwelling.** (emphasis added)
2. The subject lot was created prior to June 4, 1976, which, pursuant to HRS §205-4.5(b), allows the first dwelling on the lot to be a single-family dwelling.
3. The Farm Plan, GE Tax License (ID number 30107488), and the agreement to use the dwelling for agricultural or farm-related activity on the building site demonstrate that there is be income producing agricultural activity and the income is/will be taxed.

The subject Application for an Additional Farm Dwelling Agreement was reviewed by the various interested agencies and their respective comments are as follows:

1. The Department of Water Supply (DWS) (memorandum dated July 9, 2003):

“We have no objections to the proposed additional farm dwelling. The subject property is not within the service limits of the Department of Water Supply’s existing water system facilities. The Department’s nearest water facility is along the North Kona Belt Road and is over 1 ½ miles away. Based on the site plan drawing, which accompanied the application, we understand that the applicants are proposing a rain catchment system to meet water supply demands.

Therefore, there are no requirements to be satisfied for this Department.

Should there be any questions, please call our Water Resources and Planning Branch at 961-8070.”

2. The State Department of Health (DOH) (memorandum dated June 23, 2003):

“The Health Department found no environmental health concerns with regulatory implications in the submittals.”

Decision:

In view of the above, your request to construct an additional farm dwelling (the second dwelling on the property) is approved subject to the following conditions:

1. You should verify, with the Department of Public Works, the legality of the “existing coffee shed”, as we were unable to find a building permit record from 1976 through now. If it requires a building permit you should acquire one prior to a permit being issued for the AFD.
2. The additional farm dwelling shall only be used to provide shelter for persons involved in the agricultural or farm-related activity on the building site. Family members who are not engaged in agricultural or farm-related activities are allowed to reside in the farm dwelling.
3. The agreement shall run with the land and apply to all persons who may, now or in the

future, use or occupy the additional farm dwelling. The enclosed Additional Farm Dwelling Agreement must be returned to the Planning Department with the appropriate notarized signatures along with a check made out to the Bureau of Conveyances in the amount of \$25.00 in accordance with the enclosed Additional Farm Dwelling Agreement Instructions. The Planning Department will not approve a building permit application for the additional dwelling until the AFDA document and all required attachments have been accepted for recordation.

4. All other applicable rules, regulations, and requirements of the Planning Department (including but not limited to the Zoning Code, Chapter 25, Department of Public Works, Department of Water Supply, Fire Department and State Department of Health) and other reviewing agencies/divisions listed on the Building Permit Application.
5. Your Additional Farm Dwelling Agreement has been approved based on continuing agricultural activity as summarized previously in this letter. It is required that the First Party (owners and lessees) to the Agreement shall continue this activity.
6. The First Party shall allow the Second Party or its representative to inspect the farm upon reasonable prior notice.
7. This Additional Farm Dwelling Agreement shall be valid for a period of two (2) years from the date of this approval letter to secure a building permit for the additional farm dwelling. Failure to secure a building permit for this additional farm dwelling on or before May 30, 2005 may cause the Director to initiate proceedings to invalidate the AFDA.

Should you have any questions, please feel free to contact Jonathan Holmes of this office at 961-8288.

Sincerely,

CHRISTOPHER J. YUEN  
Planning Director
