Dear Misses Solomon:

Additional Farm Dwelling Agreement Application

Applicants: Hulali F. Solomon-Covington and Malama Solomon
Land Owners: Hulali F. Solomon-Covington and Alice Leiomalama Solomon

Your submittals included the following information:

1. A notarized affidavit that the additional dwelling shall be used for farm-related purposes in the form of the enclosed Additional Farm Dwelling Agreement to be submitted for recordation with the Bureau of Conveyances.
2. Name and address of the landowner(s) or lessee(s), if the latter has a lease on the building site with a term exceeding one year from the date of the farm dwelling agreement.

4. A farm plan or evidence of the applicant's continual agricultural productivity or farming operation within the County, including an explanation of why this additional farm dwelling is needed in connection with the agricultural productivity or farming operation.

Your farm plan included the following proposed income producing agricultural activities:

(a) Ongoing agricultural activities include the following:

- i. The activity is proposed.

(b) Proposed agricultural activities include the following:

- i. Landscape Tree Nursery on approximately 4 of the 6 acres. Planting to include, but not be limited to, mixed palms Plumeria and native trees (Koa and Lehua).
- ii. The implementation timetable for the activity is:

September – December, 2003 First Farm and Additional Farm
Dwellings construction and installation of the water system.

January – September, 2004 Land clearing and planting 2 acres of
mixed palms and Plumeria.

October, 2004 – January, 2005 Land clearing and planting 2 more
acres with mixed palms and native Hawaiian trees and construct a storage
facility.

January, 2005 – September, 2006 Garage and greenhouse construction.

Findings:

1. In Chapter 205, Hawaii Revised Statutes (HRS), the State Land Use Law does not authorize residential dwellings as a permitted use in the State Land Use Agricultural district unless the dwelling is related to an agricultural activity or is a farm dwelling. A **farm dwelling** as defined in Section 205-4.5, Chapter 205, HRS, **means a single family dwelling located on and used in connection with a farm**, including clusters of single family farm dwellings permitted within agricultural parks developed by the State, **or where agricultural activity provides income to the family occupying the dwelling.** (emphasis added)

2. The subject was created by subdivision (SUB 6277) approved on May 20, 1993, which, pursuant to HRS §205-4.5(b), requires the first dwelling on the lot to be used as a farm dwelling
3. The Farm Plan, GE Tax License (ID number 30107114), and the agreement to use the dwelling for agricultural or farm-related activity on the building site demonstrate that there will be income producing agricultural activity and the income will be taxed.
4. In addition, the following agencies have submitted their comments as stated below:

(a) Department of Water Supply (DWS):

The DWS did not comment on this application as of this date.

(b) Real Property Tax Office (RPT) (Response form dated October 15, 2003):

“There are no comments at this time.

Real Property taxes are paid through December 31, 2003.”

(c) Department of Health (DOH) (Memorandum dated October 20, 2003):

“The Health Department found no environmental health concerns with regulatory implications in the submittals.”

Decision:

In view of the above, your request to construct a **second** (first AFD) farm dwelling is approved subject to the following conditions:

1. The additional farm dwelling shall only be used to provide shelter for persons involved in the agricultural or farm-related activity on the building site. Family members who are not engaged in agricultural or farm-related activities are allowed to reside in the farm dwelling.
2. The agreement shall run with the land and apply to all persons who may, now or in the future, use or occupy the additional farm dwelling. The enclosed Additional Farm Dwelling Agreement must be returned to the Planning Department with the appropriate notarized signatures along with a check made out to the Bureau of Conveyances in the

amount of \$25.00 in accordance with the enclosed Additional Farm Dwelling Agreement Instructions. The Planning Department will not approve a building permit application for the additional dwelling until the AFDA document and all required attachments have been accepted for recordation.

3. All other applicable rules, regulations, and requirements of the Planning Department (including but not limited to the Zoning Code, Chapter 25, Department of Public Works, Department of Water Supply, Fire Department and State Department of Health and other reviewing agencies/divisions listed on the Building Permit Application.
