Dear Mr. Parisi:

SUBJECT: **Additional Farm Dwelling Agreement Application**
Applicant: **Carlos A. Parisi**
Owners: **Carlos A. and Anita L. S. Parisi**
State Land Use: **Agricultural and Conservation**
County Zoning: **Agricultural (A-20a)**
Land Area: **3.725-acres**
Tax Map Key: **(3) 2-8-013:010**

Pursuant to authority conferred to the Planning Director by Chapter 25, Article 5, Division 7, Section 25-5-77 of the Zoning Code and Planning Department Rule 13, Farm Dwellings, we have reviewed your request for an additional farm dwelling on the subject property. Your submittals included the following information:

1. A notarized affidavit that the additional dwelling shall be used for farm-related purposes in the form of the enclosed Additional Farm Dwelling Agreement to be submitted for recordation with the Bureau of Conveyances.
2. Name and address of the landowner(s) or lessee(s), if the latter has a lease on the building site with a term exceeding one year from the date of the farm dwelling agreement.
3. Written authorization of the landowner(s) if the lessee filed the request.
4. A farm plan or evidence of the applicant's continual agricultural productivity or farming operation within the County, including an explanation of why this AFD is needed in connection with the agricultural productivity or farming operation.

Your farm plan included the following ongoing and proposed income producing agricultural activities:

(a) Ongoing agricultural activities include the following:

- i. The activity is proposed although the infrastructure has the necessary Building Permit(s) pending.

(b) Proposed agricultural activities include the following:

- i. The raising of exotic birds in the approximately 700 sq.ft. aviary.
- ii. Growing of anthuriums and orchids in the approximately 1,000 sq. ft. greenhouse with approximately 1,300 sq. ft. associated work areas.
- iii. Koi ponds and miscellaneous botanical landscape features.
- iv. Man hour estimation: thirty or more per week.

5. In support, evidence of a State of Hawaii Department of Taxation's General Excise (GE) Tax License has also been presented.

Findings:

1. In Chapter 205, Hawaii Revised Statutes (HRS), the State Land Use Law does not authorize residential dwellings as a permitted use in the State Land Use Agricultural district unless the dwelling is related to an agricultural activity or is a farm dwelling. **A farm dwelling as defined in Section 205-4.5, Chapter 205, HRS, means a single family dwelling located on and used in connection with a farm, including clusters of single family farm dwellings permitted within agricultural parks developed by the State, or where agricultural activity provides income to the family occupying the dwelling.** (emphasis added)

The subject lot was created by consolidation/resubdivision (SUB 4630) approved on May 8, 1981, which, pursuant to HRS §205-4.5(b), requires the first dwelling on the lot to be used as a farm dwelling.

2. The Farm Plan, GE Tax License (ID number 30130706), and the agreement to use the dwelling for agricultural or farm-related activity on the building site demonstrate that there will be income producing agricultural activity and the income will be taxed.

3. In addition, the following agencies have submitted their comments as stated below:

(a) Department of Water Supply (DWS):

The DWS did not respond to this application as of this date.

(b) Real Property Tax Office (RPT) (Real Property Tax web site inquiry):

“Amount due \$0.00.”

(c) Department of Health (DOH) (Memorandum dated December 26, 2003):

“The use of individual wastewater systems is allowed. The type and number of individual wastewater systems will be determined by the wastewater rule in effect at the time of building permit application.”

Decision:

In view of the above, your request to construct a **second (first AFD) farm dwelling** on the property is approved subject to the following conditions:

1. The AFD shall only be used to provide shelter for persons involved in the agricultural or farm-related activity on the building site. Family members who are not engaged in agricultural or farm-related activities are allowed to reside in the farm dwelling.
2. The agreement shall run with the land and apply to all persons who may, now or in the future, use or occupy the additional farm dwelling. The enclosed AFD Agreement must be returned to the Planning Department with the appropriate notarized signatures along with a check made out to the Bureau of Conveyances in the amount of \$25.00 in accordance with the enclosed AFDA Instructions. The Planning Department will not approve a building permit application for the additional dwelling until the AFDA document and all required attachments have been accepted for recordation.
3. The First Party shall contact the Department of Water Supply to ascertain if, and arrange for, any installations and fees that may be required in connection with the AFD.
4. All other applicable rules, regulations, and requirements of the Planning Department (including but not limited to the Zoning Code, Chapter 25), Department of Public Works,

Department of Water Supply, Fire Department and State Department of Health and any other reviewing agencies/divisions listed on the Building Permit Application.

5. Your AFDA has been approved based wholly on proposed agricultural activity as summarized previously in this letter. It is required that the First Party (owners and lessees) to the Agreement shall have implemented at least 75% of the proposed farm plan within three (3) years of approval of the BP for the additional farm dwelling. The Second Party (County of Hawaii Planning Department) of the Agreement may allow time extensions and modifications for good cause shown by First Party.
6. The First Party shall allow the Second Party or its representative to inspect the farm upon reasonable prior notice.
7. This AFDA shall be valid for a period of two (2) years from the date of this approval letter to secure a BP for the additional farm dwelling. Failure to secure a BP for this additional farm dwelling on or before November 25, 2005 may cause the Director to initiate proceedings to invalidate the AFDA.

Should you have any questions, please feel free to contact Jonathan Holmes of this office at 961-8288.

Sincerely,

CHRISTOPHER J. YUEN
Planning Director
