Applicant: Sally A. Kimura  
Owner: Sally A. & Craig C. Kimura  
State Land Use: Agriculture  
County Zoning: Agricultural (A-3a)  
Land Area: 3.068 acres  
TMK: (3) 6-4-001:126

---

Pursuant to authority conferred to the Planning Director by Chapter 25, Article 5, Division 7, Section 25-5-77 of the Zoning Code and Planning Department Rule 13, Farm Dwellings, we have reviewed your request for an additional farm dwelling on the subject property. Your submittals included the following information:

1. Name and address of the landowner(s) or lessee(s), if the latter has a lease on the building site with a term exceeding one year from the date of the farm dwelling agreement.
2. Written authorization of the landowner(s) if the lessee filed the request.
3. A farm plan or evidence of the applicant's continual agricultural productivity or farming operation within the County, including an explanation of why this additional farm dwelling is needed in connection with the agricultural productivity or farming operation. Your farm plan included the following existing income-producing agricultural activities on the subject property:
  - (a) Ongoing agricultural activities:
    1. Fruit/Citrus/Herbs/Vegetable Management
  - (b) The labor man-hours for the above ongoing activities are: 10-23 hours per week.
4. In additional support, various farm management expenses and the General Excise Tax License were provided.
5. The applicant's commitment to the farm plan will be shown in the form of the enclosed Additional Farm Dwelling Agreement affidavit, to be notarized and submitted for recordation with the Bureau of Conveyances, which states that the additional dwelling shall be used for farm-related purposes.

**Findings:**

1. In Chapter 205, Hawai'i Revised Statutes (HRS), the State Land Use Law does not authorize residential dwellings as a permitted use in the State Land Use Agricultural district unless the dwelling is related to an agricultural activity or is a farm dwelling. A **farm dwelling** as defined in Section 205-4.5, Chapter 205, HRS, **means a single family dwelling located on and used in connection with a farm**, including clusters of single family farm dwellings permitted within agricultural parks developed by the State, **or where agricultural activity provides income to the family occupying the dwelling.** (emphases added)
2. The subject lot was created by subdivision (SUB-4021) approved on December 5, 1977, which, pursuant to HRS §205-4.5(b), requires the first dwelling on the lot to be a farm dwelling.
3. The Farm Plan, agricultural dedication, and the agreement to use the dwelling for agricultural or farm-related activity on the building site demonstrate that there is income producing agricultural activity.
4. In addition, the following agencies have submitted their comments:
  - (a) Department of Water Supply: No Comments Were Received
  - (b) Department of Health (Memorandum dated March 22, 2022): Attached as Exhibit 1
  - (c) Real Property Tax Office: (Memorandum dated March 22, 2022): Attached as Exhibit 2

**Decision:**

In view of the above, your request to construct an additional dwelling as a farm dwelling is approved subject to the following conditions:

1. The additional farm dwelling shall only be used to provide shelter for persons involved in the agricultural or farm-related activity on the building site. Family members who are not engaged in agricultural or farm-related activities are allowed to reside in the farm dwelling.
2. The agreement shall run with the land and apply to all persons who may, now or in the future, use or occupy the additional farm dwelling.
3. The enclosed Additional Farm Dwelling Agreement ("AFDA") must be returned to the Planning Department with the appropriate notarized signatures of all persons comprising the "First Party" to the agreement along with a check made out to the Bureau of Conveyances in the amount of \$41.00 in accordance with the enclosed Additional Farm Dwelling Agreement Instructions. **The Planning Department will not approve a building permit application for the additional dwellings until the AFDA document with all required attachments has been recorded at the Bureau of Conveyances.**
4. The First Party (owners and their lessees and their successors in interest) shall comply with all other applicable rules, regulations, and requirements of the Planning Department (including but not limited to the Zoning Code, Chapter 25, Department of Public Works, Department of Water Supply, Fire Department and State Department of Health and other reviewing agencies/divisions listed on the Building Permit Application.

5. Your Additional Farm Dwelling Agreement has been approved based on your existing activities as presented in your farm plan and summarized previously in this letter. **It is required that the First Party (owners and their lessees and their successors in interest) to the Agreement shall continue to carry out and maintain this farm plan for the life of the additional farm dwelling.** The Second Party (County of Hawai'i Planning Department) to the Agreement may, in its sole discretion, allow time extensions and modifications for good cause shown by the First Party.
6. The First Party (owners and their lessees and their successors in interest) shall allow the Second Party or its representative to inspect the farm from time to time upon reasonable prior notice.
7. **The First Party is required to secure a building permit from the Department of Public Works, Building Division, for the construction of the additional farm dwelling on or before May 11, 2024.** Failure to secure a building permit for this additional farm dwelling on or before May 11, 2024 may cause the Director to initiate proceedings to invalidate the AFDA.
8. An initial extension of time for the performance of conditions within the permit may be granted by the Planning Director upon the following circumstances:
  - a. Non-performance is the result of conditions that could not have been foreseen or are beyond the control of the applicants, successors, or assigns and that are not the result of their fault or negligence.
  - b. Granting of the time extension would not be contrary to the General Plan or Zoning Code.
  - c. Granting of the time extension would not be contrary to the original reasons for the granting of the permit.
  - d. The time extension granted shall be for a period not to exceed the period originally granted for performance (i.e., a condition to be performed within one year may be extended for up to one additional year).

Should any of these conditions not be met or substantially complied with in a timely fashion, the Planning Director may initiate procedures to revoke this permit.

Should you have any questions, please contact Deanne Bugado of our West Hawai'i office at 323-4770.
