**SUBJECT: Application: ADDITIONAL FARM DWELLING AGREEMENT
(PL-AFD-2022-000021)**

Applicant(s): Thomas S. DeBoe & Jane R. DeBoe

Landowner(s): Thomas S. DeBoe & Jane R. DeBoe

Location: Portion of Honomū, S. Hilo, Hawai'i

Tax Map Key: (3) 2-8-013:068, Lot 2

Pursuant to state law, Hawai'i Revised Statutes (HRS) section (sec.) 205-4.5 (a)(4), Hawai'i County Code sec. 25-5-77(c) Additional Farm Dwellings, and County of Hawai'i Planning Department Rule 13-4 - Farm Dwellings, a Planning Director's review has been completed on your request for **one (1) Additional Farm Dwelling**. The application request is **approved** subject to the following background information, findings, and conditions of approval.

BACKGROUND INFORMATION

1. **Subject Property:** TMK: (3) 2-8-013:068, Lot 2, Subdivision No. (SUB-07-000680) (August 8, 2011) 28-874 Noheaikena Place, Honomū, Hawai'i 96728
2. **Lot Size:** 20 acre(s) or 871,200 square feet
3. **County Zoning:** A-20a (Agricultural District, minimum building site of 20 acres).
4. **State Land Use:** Agricultural (A)

The subject parcel is in the State Land Use Agricultural District and its County Zoning classification is in Agricultural - 20 acres (A-20a) and is therefore, designated for agricultural land use as defined by the State Land Use law and the County Zoning classification.

FINDINGS

1. **Building Permits:** Real Property Tax records and the information submitted with the applicant's Farm Site Plan confirms one farm dwelling exists on the subject parcel. Building Division records indicate that this "First Farm Dwelling" was constructed by permit in 2014, Building Permit # BH2014-01535.
2. **Proposed Request: Additional Farm Dwelling (Second Farm Dwelling).** Agricultural State Land Use and County Zoning allows the landowner to apply for an Additional Farm Dwelling (AFD) on this property, pursuant to HRS sec. 205-4.5 (a)(4) or (b) and Hawai'i County Zoning Code sec. 25-5-77 (b) or (c), and Hawai'i County Planning Department Rule 13-4 (c).
3. **Proposed Agricultural Activity:** The subject property currently has approximately 16.25 acres of bread fruit (ulu) trees, 1 acre of nursery propagation and a few free-ranged egg laying hens. The bread fruit trees are at maturity and will soon be harvested. Applicant proposes to increase crop production in the future, planting cherry trees of at least 1 acre.
4. **Evidence of Agricultural Activity**
 - a) Real Property Tax Division: According to Real Property Tax records, the property is currently (2022) assessed for agricultural use (orchards), on the property. The property class is Agricultural.
 - b) Income Tax Records: Evidence of a general excise tax license and filing was submitted and State of Hawai'i – Department of Taxation G-49 Tax Return.
 - c) Invoices of expenses received for propagation and maintenance machinery equipment.
5. **Satisfaction of Statutory Standards:** To substantiate the development of commercial agriculture on the subject parcel, the landowner-applicants have submitted documentation to satisfy the statutory standards of the two state laws germane to evaluating this application:
 - a) HRS, Section 204-4.5 (a)(4) for a 'farm dwelling,' states, in part, "... *a single-family dwelling located on and used in connection with a farm, ... , or where agricultural activity provides income to the family occupying the [farm] dwelling, ...*" [emphasis added]; and
 - b) HRS, Section 165-2 defines "farming operation" to mean "... *a commercial agricultural ... [or whatever type of agriculture is undertaken] facility or pursuit conducted, in whole or in part, ...*" [emphasis added].
6. **Rationale for Establishing AFD:** Approximately 16.25 acres of Breadfruit (ulu) trees were planted and will be ready to harvest. Three (3) family members, currently maintain the agricultural farm activities and each person spends at least 60 hours of work per week. They expect to harvest at least 300,000 pounds of breadfruit (ulu) and need additional workers to process the agricultural products for market. The proposed 1-bedroom Additional Farm Dwelling includes (8) detached bedrooms with a bathroom, for future (live-in) farm workers.

AGENCY COMMENTS

1. **Real Property Tax (RPT):** No comments received.
2. **Department of Water Supply (DWS):** See DWS comment letter dated 3/17/2022. (attached) **(Exhibit A)**

The subject parcel does not have an existing water service with the Department, as the parcel is not within the service limits of the Department's existing water system. Furthermore, the subject parcel was previously created through FSA-SUB-07-000680, "Akaka Falls Development," under Variance No. 08-027. Therefore, the Department has no objections to the proposed application, subject to the applicant understanding and accepting that the Department cannot provide service to the proposed additional farm dwelling.

3. **State of Hawai'i Department of Health (DOH):** See DOH comment letter dated 3/24/2022. (attached) **(Exhibit B)**

The Department of Health (DOH) sent a memorandum stating that the Wastewater Branch did not concur with the proposed additional farm dwelling agreement application. Because under the wastewater rules one individual wastewater system is allowed to be used for projects located within 1000 feet of a public drinking water source, and that the proposal would require a second system which is not allowed.

4. **State of Hawai'i Department of Health (DOH):** See DOH email dated 5/6/2022 (attached) **(Exhibit C)**

The applicant has resolved the individual wastewater systems issue with (DOH), by revising the site plan to reflect the construction of a proposed Wastewater Treatment Plant on the subject parcel. The proposed WWTP is located outside of the 1000 feet radius County of Hawai'i public drinking water source in Honomū, Hawai'i.

DECISION AND CONDITIONS

In view of the above, your request to construct one (1) Additional Farm Dwelling on the property is approved subject to the following conditions:

1. Your AFDA has been approved based on existing and expanded agricultural activity as summarized in this letter.
2. The AFD shall be used for farm-related purposes and provide shelter for persons involved in the agricultural or farm-related activity on the building site. Family members who are not engaged in agricultural or farm related activities are allowed to reside in the additional farm dwelling.

3. An Additional Farm Dwelling Agreement affidavit shall be notarized and submitted to the Planning Department for recordation with the Bureau of Conveyances, State of Hawai'i, which states that the additional dwelling shall be used for farm related purposes.
4. The farming enterprise shall be commercial in nature and up to seventy-five-percent (75%) of your proposed farm plan shall be implemented within three (3) years from the AFDA approval date. The Planning Department shall be allowed to inspect the farm upon reasonable prior notice.
5. The agreement shall run with the land and apply to all persons who may, now or in the future, use or occupy the additional farm dwelling. The enclosed AFD Agreement must be returned to the Planning Department with the appropriate notarized signature(s) along with a check made out to the Bureau of Conveyances in the amount of \$41.00 in accordance with the enclosed AFDA Instructions.

The Planning Department will not approve a building permit application for the additional dwelling until the AFDA document and all required attachments have been sent for recordation by the Planning Department.

6. The applicant is responsible for any State and Federal tax consequences due to the income produced from the farm activity.
7. The First Party (as identified in the Additional Farm Dwelling Agreement) shall allow the Second Party or its representatives to inspect the farm upon reasonable prior notice.
8. DWS has noted that the subject parcel does not have a County approved water service at present, and an additional water service is not available for the additional dwelling.
9. This AFD shall be valid for a period of two (2) years from the date of this approval letter to secure a Building Permit (BP) for the AFD. Failure to secure a BP for this AFD on or before **May 11, 2024**, may cause the Director to initiate proceedings to invalidate the AFD.
10. An initial extension of time for the performance of conditions within the permit may be granted by the Planning Director upon the following circumstances:
 - a. Non-performance is the result of conditions that could not have been foreseen or are beyond the control of the applicants, successors, or assigns and that are not the result of their fault or negligence.
 - b. Granting of the time extension would not be contrary to the General Plan or Zoning Code.

Mr. Thomas S. DeBoe
Ms. Jane R. DeBoe
May 11, 2022
Page 5

- c. Granting of the time extension would not be contrary to the original reasons for the granting of the permit.
- d. The time extension granted shall be for a period not to exceed the period originally granted for performance (i.e., a condition to be performed within one year may be extended for up to one additional year).

Should any of these conditions not be met or substantially complied with in a timely fashion, the Planning Director may initiate procedures to revoke this permit.

Please feel free to contact Terri L. Napeahi of this office, (808) 961-8160, or via email terri.napeahi@hawaiicounty.gov, should you have any questions and/or concerns.

Eric,
Please find the attached PDF of our final plans. There is no reason why we shouldn't have received our approval from the DOH, this proposal is in compliance with all rules and codes. Planning is awaiting DOH's approval to move forward on my ADFA. Please kindly reply.

Additional Farm Dwelling Agreement Instructions

Attached is the Additional Farm Dwelling Agreement form for your approved application. It is important that you follow these instructions in the completion of the form. Failure to complete and submit a properly completed agreement form to the Planning Department for recordation with the Bureau of Conveyances may cause your Additional Farm Dwelling Agreement to be rejected by the Bureau and delay approval of your application for a building permit for the additional farm dwelling. Building permit applications for additional farm dwellings will not be approved by the Planning Department until the AFDA form and the required submittals specified below have been returned to the Planning Department. You may make as many copies of the AFDA document for your records as necessary. A copy of the final recordation page will be available from the Planning Department when received back from the Bureau of Conveyances upon request.

1. All persons in the "First Party" must sign before a Public Notary in the appropriate location on the signature page (Page 5). Photocopies of this page may be made and sent to any persons listed on the page whose notarized signatures are required and then attached to the agreement document along with the original signature page. Facsimiles or FAX copies of signatures will not be accepted.

Note: All signatures must be the same as the typed name. Therefore, if John L. Doe is the name typed the signature must also be John L. Doe. Signing John Doe or Jonathan L. Doe will cause the agreement document to be rejected by the Bureau of Conveyances for recordation purposes.

2. The date on page 2 will be filled in when the agreement is signed by the Planning Director; please leave it blank.
3. Enclose a check or money order in the amount of **\$41.00**, made payable to the Bureau of Conveyances, for the recordation fee. (One payment needed. Please designate who will submit)
4. Return the **original** completed AFDA document with all required signatures and the recordation fee payment to the Planning Department for the Director's signature and submittal to the Bureau of Conveyances for recordation.
