Dear Mr. Kuritani:

DETERMINATION OF PRE-EXISTING LOTS
TMK: 1-7-01:05 & 26(Dropped)

This is to acknowledge receipt of your letter of July 25, 2005, and documents regarding the subject matter.

Please be advised that we have reviewed the documents submitted, our department records, as well as those of the Real Property Tax Division, and determined that the subject properties consists of two (2) separate legal lots of record:

- 1) Portion of Grant 4822 – Parcel 5 area not available; and
- 2) Portion of Grant 7583 – Parcel 26 (Dropped) area not available.

Originally created by Department of Public Works File No. H-186, Olaa Homesteads Reservation Lots dated February 1915.

It is our understanding that, based on this information provided regarding pre-existing lots, you may be submitting an application for consolidation and resubdivision of the subject parcels which would result in the development of specific metes and bounds for the subdivided lots. If consolidation and resubdivision is not the intent, you may want to have a modern metes and bounds survey be conducted for a more accurate and current land area determination and that a map reflecting this information may be submitted for certification.

Hawai'i County is an Equal Opportunity Provider and Employer
