Dear Mr. Williams:

DETERMINATION OF PRE-EXISTING LOTS
TMK: 2-7-08:03

This is to acknowledge receipt of your letter of October 9, 2002, and documents regarding the subject matter.

Please be advised that we have reviewed the documents submitted, our department records, as well as those of the Real Property Tax Division, and determined that the subject property consists of two (2) separate legal lots of record:

1. Land Commission Award 11216, Apana 43, consisting of approximately 80 acres;
and
2. Portion of Land Commission Award 8884, consisting of approximately 9,400 square feet.

It is our understanding that, based on this information provided regarding pre-existing lots, you may be submitting an application for consolidation and resubdivision of the subject parcels which would result in the development of specific metes and bounds for the subdivided lots. If consolidation and resubdivision is not the intent, you may want to have a modern metes and bounds survey be conducted for a more accurate and current land area determination and that a map reflecting this information may be submitted for certification.
