Dear Mr. Williams:

DETERMINATION OF PRE-EXISTING LOTS
TMK: 3-1-004:020

This is to acknowledge receipt of your letter of October 30, 2001, and documents regarding the subject matter.

Please be advised that we have reviewed the documents submitted, our department records, as well as those of the Real Property Tax Division, and determined that the subject property consists of two (2) separate legal lots of record:

1. Land Patent Grant 6046, Lot 7, containing approximately 33.0 acres; and
2. Land Patent Grant 2074, Lot 9, containing approximately 31.0 acres.

It is our understanding that, based on this information provided regarding pre-existing lots, you will be submitting an application for consolidation and resubdivision of the subject parcels which would result in the development of specific metes and bounds for the subdivided lots. If consolidation and resubdivision is not the intent, then it is recommended that a modern metes and bounds survey be conducted for a more accurate and current land area determination and that a map reflecting this information be submitted for certification.

A request for separate tax map key parcel numbers should be in writing to the Real Property Tax Division.
