Dear Ms. Palesh:

**Determination of Existing Lot of Record
Being Portions of Royal Patent 2237, L.C. Aw. 8518-B & Grant 12546:4,
Kawaihae 2nd, South Kohala, Hawai'i
TMK: 6-2-002:014**

We have received your letter dated August 26, 2014, requesting verification that the subject tax map key is an existing lot of record.

We have reviewed our department records and those of the Department of Finance–Real Property Tax Division (RPT). Our review of the records has found the following:

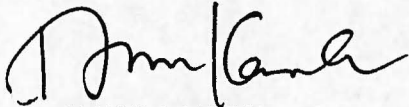

1. We affirm that Parcel 014 was created through the partition of portions of Parcel 005 as shown on T.M.B. Plat 4111 '69 recorded with the Bureau of Conveyances in Liber 6521, beginning at Page 276 on or about June 5, 1969.
2. There are no records of the lot having been consolidated with any other adjoining lands.

Therefore, we affirm that this is an existing lot of record.

Cheryl M. Palesh, P.E., LEED AP, Office Manager
Belt Collins Hawai'i, LLC
