This is to acknowledge receipt of your letter of January 22, 2019, and documents regarding the subject matter. We apologize for our tardy response.

With the physical location of the Ka 'alā iki Road having been determined and reflected on the Tax Map Plats, we concur that the alignment additionally bisected Grant 5917. Therefore, we do verify one (1) additional pre-existing lot to our previous determinations.

Should you have any questions, please feel free to contact Hans Santiago or Jonathan Holmes of this Department.

Sincerely,

MICHAEL YEE  
Planning Director
