Dear Mr. Uyeki:

Ohana Dwelling Permit (OD 82-16)
Tax Map Key: 1-5-04:27

This is to inform you that the subject application has been reviewed by all of the concerned agencies, and the following are our findings:

1. The subject property is served by an acceptable street.
2. The State Department of Health has found no environmental health concerns with regulatory implications in the submittal.
3. You have proven to our satisfaction that there are no restrictive covenants prohibiting the additional dwelling on the lot.

Based on the above, we have hereby granted approval of your request to retain the existing house as an ohana dwelling.
