Dear Mrs. Galdones:

Ohana Dwelling Permit (OD 84-31)  
Tax Map Key: 2-3-24:57

This is to inform you that the subject application has been reviewed by all of the concerned agencies, and the following are our findings:

1. The subject property is served by an acceptable street and subject to a ten (10) foot wide future road widening setback to be taken on and from the parcel's frontage on Punahale Street.
2. The State Department of Health has found no environmental health concerns with regulatory implications in the submittal.
3. You have proven to our satisfaction that there are no restrictive covenants prohibiting the additional dwelling on the lot.
4. Submitted plans include two off-street parking stalls on the property.

Based on the above, you are hereby granted approval to permit the construction of an Ohana Dwelling, subject to the following condition(s):

- (1) A cesspool may service a maximum of 800 gallons per day of sewage which is generated from a single or multiple dwelling unit complex, containing a total of only four (4) bedrooms.
