Dear Mr. Medeiros:

Ohana Dwelling Application (OD 85-33)
William H. Medeiros
TMK: 1-6-62:151, lot 12

Reference is made to our letters dated April 2 and May 28, 1985 requesting a copy of the recorded deed that includes any covenants and restrictions on the referenced TMK parcel.

An ohana dwelling is not allowed if the property has a covenant which prohibits the construction of a second dwelling. To date we have not received a copy of the requested deed and therefore, regret to inform you we are withdrawing the subject application and hereby declare the subject application null and void.

Should you again wish to pursue a permit to construct a second dwelling, the enclosed ohana dwelling - public facilities form, a copy of the deed together with any recorded covenants or restrictions, and three (3) copies of a site plan drawn to scale must be submitted to this office for review.

Should you have any questions, please feel free to contact this office.

Sincerely,

ALBERT LONO LYMAN
Planning Director
