Dear Mr. Fields:

This is to inform you that the subject application has been reviewed by all of the concerned agencies, and the following are our findings:

1. The subject property is served by an acceptable street.
2. The application can meet with the State Department of Health wastewater treatment and disposal systems requirements.
3. You have proven to our satisfaction that there are no restrictive covenants prohibiting the additional dwelling on the lot. Reference is made to our August 14, 1985 letter.
4. Submitted plans include two off-street parking stalls on the property.

Based on the above, you are hereby granted approval to permit the construction of an Ohana Dwelling, subject to the following condition(s):

- (1) The building permit for the Ohana Dwelling shall be secured within two (2) years of the date of this Permit. Should you fail to comply with the timetable, this Ohana Dwelling Permit shall be automatically voided.
