This is to inform you that the subject application has been reviewed by all of the concerned agencies, and the following are our findings:

1. The subject property is served by an acceptable street.
2. The application can meet with the State Department of Health wastewater treatment and disposal systems requirements.
3. Reference is made to a copy of Land Patent No. 9122 received January 13, 1986 and our earlier letter dated November 14, 1985 regarding the subject application.

The date to submit a copy of Land Patent No. 9122 was Sunday, January 12, 1986, and was received on the first working day, Monday, January 13, 1986. The copy of this deed and other document(s) submitted to establish title and exhibits contained therein do not include any deed restriction or covenant to prohibit the construction of the requested ohana dwelling addition.

4. The submitted site plan denotes two off-street parking stalls on the property.

Based on the above, you are hereby granted approval to permit the construction of an Ohana Dwelling, subject to the following condition(s):
