1. The subject property is served by an acceptable street.
2. The application can meet with the State Department of Health wastewater treatment and disposal systems requirements.
3. The copy of the Land Court Deed received January 9, 1986 does not contain any restriction or covenant to prohibit the construction of the requested ohana dwelling addition.

Based on the above, you are hereby granted approval to permit the construction of an Ohana Dwelling, subject to the following condition(s):
