Dear Mr. Levenson:

Ohana Dwelling Permit (OD 86-41)
Tax Map Key: 6-2-09:14

The subject application has been reviewed by the concerned agencies and we find:

1. The subject tax map key parcel is served by an acceptable street;
2. The subject application can meet with the State Department of Health wastewater treatment and disposal systems requirements;
3. The copy of the document(s) relating to the subject tax map key parcel to establish title and exhibits contained therein do not include any deed restriction or covenant to prohibit the construction of the requested ohana dwelling addition; and,
4. The submitted site plan denotes two off-street parking stalls on the property.

In view of the above, by this letter, you are hereby granted permission to construct the Ohana Dwelling, subject to the following condition(s):

- (a) The building permit for the Ohana Dwelling shall be secured within two (2) years of the date of this letter or Permit. If the applicant and/or owner fails to secure a building permit within this period, permission to construct the subject ohana dwelling shall be deemed void. A time extension may be granted for good cause, provided, the permittee and/or owner applies in writing at least forty-five (45) calendar days before the expiration of the two (2) year period.
