Dear Mr. Chancer:

SMA Use Permit Assessment Application
Ohana Dwelling Permit Application (OD 87-131)
TRK: 6-9-04:09

Reference is made to ohana dwelling application and Special Management Area Use Permit Assessment Application together with related submittals received July 22, 1987 and August 3, 1987 telephone conversation with staff.

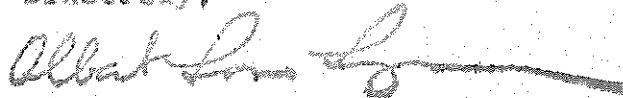

Pursuant to above telephone conversation, we understand your client's intention to demolish the existing single family dwelling and construct a new single family dwelling and an ohana dwelling pursuant to Articles 4 and 25, respectively, of the County's Zoning Code. In view of proposed demolition action, we require a certified shoreline map, drawn to scale, to verify the location of the parcel's shoreline. In concert with and as supplement to the SMA assessment application received for review, please submit shoreline survey confirmed by the Chairman of the Board of Land and Natural Resources. Upon receipt of certified shoreline survey map, this office will assess and evaluate your proposed subject development pursuant to the applicable statutes.
