Dear Ms. Goto:

Ohana Dwelling Application (OD 90-94)  
Yukie Goto  
Tax Map Key: 8-9-95:42, Lot 4

This acknowledges ohana dwelling application and related submittals received September 26, 1989.

Section 25-271 (3) of the Zoning Code, Governing Regulations for Ohana Dwellings, specifies "That at the time of application for a County Building Permit for a second dwelling unit, the subject lot or land is not restricted by a recorded covenant or a recorded lease provision (in a lease having a term of not less than fifteen years) which prohibits a second dwelling unit."

Pursuant to Condition (1), P. 2 of copy of recorded Land Patent No. 8-15,003 received states, "That the Patentees shall not construct more than one (1) single family dwelling on the lot."

The Planning Department interprets the above condition as precluding subject ohana application and therefore regret to inform you a request to construct ohana dwelling on the subject parcel is denied. Your option is to take appropriate steps with the covenantee to have the restriction removed or waived or appeal our determination through procedure set forth below.

The Director's decision is final, except that within thirty (30) days after receipt of this letter, you may appeal the decision in writing to the Board of Appeals in accordance with the following procedures:

1. A non-refundable filing fee of one hundred dollars (\$100).
2. Ten (10) copies of the petition for the appeal incorporating the following:

APR 19 1990

- a. The name, address, and telephone number of the appellant and the name, title, and address of the appellant's representative.
- b. A description of the property involved in the appeal, including the tax map key number of the property, and the appellant's interest in the property.
- c. A plain statement of the nature of the appeal and the relief requested.
- d. A statement explaining:
  - 1) How the decision appealed from violates the law; or
  - 2) How the decision appealed from is clearly erroneous; or
  - 3) How the decision appealed from was arbitrary or capricious, or characterized by an abuse of discretion or clearly unwarranted exercise of discretion.
- e. A clear and concise statement of any other relevant facts.

The denial of your change dwelling application was due to a deed restriction that only one single family dwelling may be constructed on the property. Therefore, it should be pointed out that even if the Board of Appeals disposes the petition in your favor, its decision is meaningless.

Should you have any further questions, please feel free to contact this office at 961-8288.

Sincerely,

DUANE KANUGA  
Planning Director
