Dear Mr. Nomoto:

Ohana Dwelling Application (OD 90-246)  
Teruo Nomoto  
TMK: 7-3-23:5

The ohana dwelling application and related submittals received June 25, 1990 were reviewed under Article 25, Regulations for Ohana Dwelling.

Section 25-271 (3), Article 25, Regulations for Ohana Dwelling, of the Zoning Code, states "That at the time of application for a County Building Permit for a second dwelling unit, the subject lot or land is not restricted by a recorded covenant or a recorded lease provision (in a lease having a term of not less than fifteen years) which prohibits a second dwelling unit."

The copy of recorded Warranty Deed dated May 13, 1966 and recorded in the Bureau of Conveyances of the State of Hawaii on May 23, 1966 in Liber 5339 at Page 100 includes restrictions, covenants and conditions. The aforesaid recorded Warranty Deed states:

"(a) The above described premises, and every portion thereof, shall be used for private residence purposes only, including private garage and/or servants' quarters and other similar purposes reasonably necessary in connection with such private residence, and for no other purpose; and no building other than a private dwelling house shall be constructed, placed or maintained upon said premises during said term."

Based on this, the above provision precludes an ohana dwelling on the subject tax map key parcel. Consequently, we have no choice but to deny your ohana dwelling application.
