Dear Mr. Nakamura:

Ohana Dwelling Application (OD 90-390)
Michael T. Nakamura
TMK: 6-4-14:38, Lot 38

This acknowledges ohana dwelling application and related submittals.

Section 25-271 (3) of the Zoning Code, Governing Regulations for Ohana Dwellings, specifies "That at the time of application for a County Building Permit for a second dwelling unit, the subject lot or land is not restricted by a recorded covenant or a recorded lease provision (in a lease having a term of not less than fifteen years) which prohibits a second dwelling unit."

The copy of recorded Warranty Deed dated April 3, 1982 and recorded in the Bureau of Conveyances of the State of Hawaii in Liber 16263 at Page 513 includes restrictions, covenants and conditions. The aforementioned recorded Warranty Deed states:

"1. No more than one single family dwelling house together with appurtenant garage and servants' quarters and other outbuildings, shall be constructed or permitted upon said lot. No house shall have a ground floor area of less than 600 square feet;"

The Planning Department upon consultation with the Office of the Corporation Counsel has determined that the recorded deed language precludes the development of an ohana dwelling unit on subject tax map key parcel. Pursuant to Article 25 of the Hawaii County Zoning Code, we therefore regret to inform you a request to construct ohana dwelling on the subject tax map key parcel is denied. Your option is to take appropriate steps with the covenantee to have the restriction removed or waived or appeal our determination through procedure set forth below.
