Dear Mr. Reiss:

Ohana Dwelling Application (OD 91-2) *8060*
Paul Reiss
TMK: 7-7-17:27, Lot 12

This acknowledges ohana dwelling application and related submittals received January 3, 1991.

Section 25-271 (3) of the Zoning Code, Governing Regulations for Ohana Dwellings, specifies "That at the time of application for a County Building Permit for a second dwelling unit, the subject lot or land is not restricted by a recorded covenant or a recorded lease provision (in a lease having a term of not less than fifteen years) which prohibits a second dwelling unit."

The copy of recorded Warranty Deed dated July 1, 1969 and recorded in the Bureau of Conveyances of the State of Hawaii in Liber 6644 at Page 458 includes restrictions, covenants and conditions which states:

"1. The above described premises and every portion thereof shall be used for private residence purposes only including private garage and/or servants' quarters and other similar purposes reasonably necessary in connection with such private residence, and for no other purpose; and no building other than a private dwelling house designed and built for the use and occupancy of a single family, not exceeding two (2) stories in height, together with one (1) outbuilding not exceeding one (1) story in height, shall be constructed, placed or maintained upon said premises during said term."

The Planning Department upon consultation with the Office of the Corporation Counsel has determined that the recorded deed language precludes the development of an ohana dwelling unit on subject tax map key parcel. Pursuant to Article 25 of the Hawaii County Zoning Code, we therefore regret to inform you a request to construct ohana dwelling on the subject tax map key parcel is denied. Your option is to take appropriate steps with the covenantee to have the restriction removed or waived or appeal our determination through procedure set forth below.
