Dear Mrs. Pepin:

Ohana Dwelling Application (OD 91-61) 2264
Diane Pepin
TMK: 7-7-18:1, Lot 20

This acknowledges ohana dwelling application and related submittals received January 10, 1991.

Section 25-271 (3) of the Zoning Code, Governing Regulations for Ohana Dwellings, specifies "That at the time of application for a County Building Permit for a second dwelling unit, the subject lot or land is not restricted by a recorded covenant or a recorded lease provision (in a lease having a term of not less than fifteen years) which prohibits a second dwelling unit."

The copy of the restrictive covenants contained in Deed dated February 26, 1969 and recorded in the Bureau of Conveyances of the State of Hawaii in Liber 6440 at Page 24 includes restrictions, covenants and conditions which states:

"1. The above described premises and every portion thereof shall be used for private residence purposes only including private garage and/or servants' quarters and other similar purposes reasonably necessary in connection with such private residence, and for no other purpose; and no building other than a private dwelling house designed and built for the use and occupancy of a single family, ...shall be constructed, placed or maintained upon said premises during said term."

The Planning Department upon consultation with the Office of the Corporation Counsel has determined that the recorded deed language precludes the development of an ohana dwelling unit on subject tax map key parcel. Pursuant to Article 25 of the Hawaii County Zoning Code, we therefore regret to inform you a request to construct ohana dwelling on the subject tax map key parcel is denied. Your option is to take appropriate steps with the covenantee to have the restriction removed or waived or appeal our determination through procedure set forth below.
