In regards to Ohana Dwelling Application #OD 91-192
Applicant: Violet Kaiawe
Tax Map Key: 5-5-02:28

I wish to withdraw my Ohana Application and resubmit my plans. Under the new proposal, I would like to delete any and all kitchen facilities, and change the duplex conversion back to the original addition onto the existing dwelling. The addition would consist only of a bedroom with a bathroom, and is intended to afford the above Violet Kaiawe some privacy from the existing house which is occupied by her daughter with her family. There is no intention of using the proposed addition as a rental unit either now or in the future.

If you have any questions, I would gladly come in to talk with you. My address and phone number follow:
