Dear Mr. Won:

Ohana Dwelling Application (OD 91-598) <sup>2570</sup>  
Tax Map Key: 7-5-29:64, Lot 97

This acknowledges ohana dwelling application and related submittals received October 29, 1991.

Section 25-271 (3) of the Zoning Code, Governing Regulations for Ohana Dwellings, specifies "That at the time of application for a County Building Permit for a second dwelling unit, the subject lot or land is not restricted by a recorded covenant or a recorded lease provision (in a lease having a term of not less than fifteen years) which prohibits a second dwelling unit."

The copy of recorded Deed dated March 2, 1979 and recorded in the Bureau of Conveyances of the State of Hawaii in Liber 13574 at Page 356 includes restrictions, covenants and conditions which states:

"(1) Residential Purposes. The premises described herein and every portion thereof shall be used for private residence purposes only (except public roads and recreational areas) including private garage and/or servants' quarters and other similar purposes reasonably necessary in connection with such private residence, and for no other purpose; and no building other than a private dwelling house designed and built for the use and occupancy of a single family, not exceeding 18 feet in height from the high point of the lot, shall be constructed, placed or maintained upon said premises during said term."  
[Emphasis supplied]

The Planning Department has determined that the above stated covenants have a restriction that no more than a single family dwelling can be constructed on the property. Pursuant to Article 25 of the Hawaii County Zoning Code, we therefore regret to inform you a request to construct ohana dwelling on the subject tax map key parcel is denied. Your option is to take appropriate steps with the covenantee to have the restrictions removed or waived or appeal our determination through procedure set forth below.
