Dear Mr. McClintick:

Ohana Dwelling Application (OD 93-200)
William H. McClintick
TMK: 7-3-26:15, Lot 2

3187

This acknowledges ohana dwelling application and related submittals received June 14, 1993.

Section 25-271 (3), Article 25, Regulations for Ohana Dwelling, of the Zoning Code, states "That at the time of application for a County Building Permit for a second dwelling unit, the subject lot or land is not restricted by a recorded covenant or a recorded lease provision (in a lease having a term of not less than fifteen years) which prohibits a second dwelling unit."

The copy of Deed dated January 19, 1968, recorded in the Bureau of Conveyances in Book 5973, Page 32 includes Covenants, Conditions and Restrictions which states:

"(1) Any residence structure shall have a lot or building site of not less than one (1) acre and not more than one (1) residence may be located on any such site or lot."

The Planning Department has determined that the recorded deed language precludes the development of an ohana dwelling unit on subject tax map key parcel. Pursuant to Article 25 of the Hawaii County Zoning Code, we therefore regret to inform you a request to construct ohana dwelling on the subject tax map key parcel is denied. Your option is to take appropriate steps with the covenantee to have the restrictions removed or waived or appeal our determination through procedure set forth below.
