Dear Ms. Lewis:

Ohana Dwelling Application (OD 93-224) 3198
Patricia Lewis Trust
TMK: 7-7-20:31, Lot 31

This acknowledges ohana dwelling application and related submittals received June 28, 1993.

Section 25-271 (3), Article 25, Regulations for Ohana Dwelling, of the Zoning Code, states "That at the time of application for a County Building Permit for a second dwelling unit, the subject lot or land is not restricted by a recorded covenant or a recorded lease provision (in a lease having a term of not less than fifteen years) which prohibits a second dwelling unit."

The Covenants, Conditions and Restrictions submitted with the application states in part:

- "(a) Residential Purposes. All lots in the subdivision and every portion thereof shall be used only for private residential and agricultural purposes and the uses accessory thereto, including other similar purposes reasonably necessary in connection with such uses, and for no other purposes; and no building other than one private dwelling house designated and built for the use and occupancy of a single family and other accessory buildings shall be placed or maintained on each lot in the

subdivision. Allowable accessory buildings provided that they meet with all Government regulations and provided that they conform to all covenants and design criteria applicable to Holualoa Subdivision I are as follows: Guest cottages, servants' quarters, hothouses, shelters for animals allowed pursuant to these covenants and other structures reasonably necessary in connection with a private residence."

The Planning Department has determined that the recorded deed language precludes the development of an ohana dwelling unit on subject tax map key parcel. Pursuant to Article 25 of the Hawaii County Zoning Code, we therefore regret to inform you a request to construct ohana dwelling on the subject tax map key parcel is denied. Your option is to take appropriate steps with the covenantee to have the restrictions removed or waived or appeal our determination through procedure set forth below.

The Director's decision is final, except that within thirty (30) days after receipt of this letter, you may appeal the decision in writing to the Board of Appeals in accordance with the following procedures:

1. A non-refundable filing fee of two hundred dollars (\$200).
2. Ten (10) copies of the petition for the appeal incorporating the following:
 - a. The name, address, and telephone number of the appellant and the name, title, and address of the appellant's representative.
 - b. A description of the property involved in the appeal, including the tax map key number of the property, and the appellant's interest in the property.
 - c. A plain statement of the nature of the appeal and the relief requested.
 - d. A statement explaining:
 - 1) How the decision appealed from violates the law;
