Dear Ms. Delaries:

(96-8)

Ohana Dwelling Permit (OHD 3799)
Additional Single Family Dwelling
Tax Map Key: 7-8-06:50

The subject application has been reviewed by the concerned agencies and note:

1. The subject tax map key parcel is served by an acceptable street;
2. The subject application can meet with the State Department of Health (DOH) wastewater treatment and disposal systems requirements and their memorandum dated April 22, 1996 in our file which states; "The subject lot is located in a Critical Wastewater Disposal Area. A lot size of five (5) acres or more are required for the use of a cesspool. Only one (1) cesspool would be allowed on the lot. A septic tank system would be needed if a second wastewater disposal system is needed on this lot";
3. The copy of document(s) received relating to subject tax map key parcel to establish title and exhibits contained therein do not include any deed restriction or covenant to prohibit construction of requested Ohana dwelling; and,
4. The site plan denotes two (2) off-street parking stalls on the property.

In view of the above, by this letter, you are hereby granted permission to make building additions to convert the use of the existing building into an additional single family dwelling or Ohana Dwelling, subject to the following condition(s):

- (a) The building permit for the proposed building additions and Ohana Dwelling use shall be applied for and secured from the Department of Public Works, Building Division on or before MAY 2, 1997.

Please bring or attach a copy of this Permit to help the reviewing agencies to understand and expedite the review and processing of the building construction plans and building permit application to construct the additional building improvements and establish the Ohana dwelling on the subject parcel.

- (b) The two (2) required off-street parking spaces are designated on the site plan submitted with the ohana dwelling application to fulfill the off-street parking requirement. The required two(2) off-street parking spaces may not be employed for storage or other use unless and until approved alternative on-site parking arrangements are established.
- (c) The building construction drawings together with approved site plan, drawn to scale, submitted with the Ohana dwelling building permit application shall denote building location, comply with the minimum building yards, identify required two (2) off-street parking spaces, and identify or include any map graphics/details on the site plan required by the reviewing agencies listed on the building permit application.
- (d) This Ohana Dwelling permit is subject to all other applicable rules, regulations and requirements, including but not limited to those of the Planning Department, Department of Public Works, and State Department of Health.
