2 New Single Family Dwellings  
Tax Map Key: 7-3-23:022, Lot 10

We would like to make a correction to a letter dated October 25, 1996, sent to you regarding the above-referenced application.

An incorrect number for your Ohana Dwelling Permit (OHD No. 3806) was inadvertently issued. The correct Ohana Dwelling Permit No. is OHD 3820. Please make necessary corrections to correspondence received in reference to the above application.

If you have questions, please contact this office at 961-8288.

Sincerely,

VIRGINIA GOLDSTEIN  
Planning Director

Dear Mr. Nelson:

Ohana Dwelling Permit (OHD 3806)  
Steven Nelson  
2 New Single Family Dwellings  
Tax Map Key: 7-3-23:022, Lot 10

The subject application has been reviewed by the concerned agencies and note:

1. The subject tax map key parcel is served by an acceptable street;
2. The subject application can meet with the State Department of Health (DOH) wastewater treatment and disposal systems requirements and their memorandum dated May 15, 1996 in our file which states; "The proposed Septic Tank System would need to be designed by Registered Professional licensed by the State of Hawaii. Please submit the plans to the Wastewater Branch in Honolulu for approval.";
3. The copy of document(s) received relating to the subject lot and the subject tax map key parcel to establish title and exhibits contained therein do not include any deed restriction or covenant to prohibit construction of requested Ohana dwelling; and,
4. The site plan received on February 7, 1996 denotes two (2) off-street parking stalls on the property.

In view of the above, by this letter, you are hereby granted permission to construct an additional single family dwelling or Ohana Dwelling on the subject property, one dwelling must be designated as the ohana dwelling and shall comply with the following:

- (a) The building permit for the proposed building additions and Ohana Dwelling use shall be applied for and secured from the Department of Public Works, Building Division on or before MAY 2, 1997.

Please bring or attach a copy of this Permit to help the reviewing agencies to understand and expedite the review and processing of the building construction plans and building permit application to construct the additional building improvements and establish the Ohana dwelling on the subject parcel.

- (b) The two (2) required off-street parking spaces are designated on the site plan submitted with the ohana dwelling application to fulfill the off-street parking requirement. The required two(2) off-street parking spaces may not be employed for storage or other use unless and until approved alternative on-site parking arrangements are established.
- (c) The building construction drawings together with approved site plan, drawn to scale, submitted with the Ohana dwelling building permit application shall denote building location, comply with the minimum building yards, identify required two (2) off-street parking spaces, and identify or include any map graphics/details on the site plan required by the reviewing agencies listed on the building permit application.

Building setbacks for the Ohana dwelling shall be 30' from the rear or front property line whichever is applicable; 20' side yard setback and a 15' setback between structures. Maximum height of the Ohana dwelling is 25'.

- (d) This Ohana Dwelling permit is subject to all other applicable rules, regulations and requirements, including but not limited to those of the Planning Department, Department of Public Works, and State Department of Health.
