“We have reviewed the subject application forwarded by your letter dated September 24, 2002 and have the following comment.

The new driveway will require a permit from the Department of Public Works and shall have a minimum space of 30 feet between the new and existing driveway approaches in conformance with Chapter 22 of the Hawaii County Code.”
2. The Department of Water Supply (DWS) (memorandum dated October 2, 2002):

 2. Remittance of the following charges, which are subject to change, to our Customer Service Section:
