Dear Ms. Greer:

SUBJECT: Ohana Dwelling Permit Application 2004-002
Applicant: Editha Greer
Land Owner: Editha Greer
**Proposal: Construct A New Detached
Ohana Dwelling Unit**
Tax Map Key: (3) 7-5-025:018

Your Application for an Ohana Dwelling Unit Permit, attachments, and filing fee were received for consideration by this office. The subject Ohana dwelling application, submittals and check #0376 in the amount of \$25.00 for the filing fee are being returned to you for the reasons that follow:

1. In order to apply for an Ohana Dwelling, there must, at the very least, be a Building Permit issued for the first dwelling on the subject property.
2. Upon review of the surrounding property owners to be notified of this application, it was found that two properties were overlooked. The TMK's for the two are 7-5-016:082 and 083.

You are welcome to resubmit this application once you have secured a Building Permit for a first dwelling on the property.

You are reminded that the mailing of the notices to surrounding property owners needs to occur within ten (10) days of the submittal of the application and that proof of that mailing be submitted to this office.
