Dear Richard & Shannon Randall:

Ohana Dwelling Permit Application (OHD-19-000195)

Applicant:	Richard & Shannon Randall
Owner:	Richard & Shannon Randall
State Land Use:	Urban
County Zoning:	Agricultural (A-5a)
Land Area:	21,500 s.f.
TMK:	(3) 7-3-023:002

Upon review of your application and as applicable, comments from the public and government agencies for an Ohana Dwelling Unit Permit (OHD), you are hereby **granted** approval to construct a detached OHD subject to conditions set forth below in this letter.

REQUEST

The applicant is requesting an OHD Permit to construct an additional dwelling unit on the subject property.

PROPERTY DESCRIPTION

The subject TMK parcel, comprised of 21,500 s.f. situated within the Kona Coastview Subdivision, North Kona, Island of Hawai'i. The property is zoned Agricultural (A-5a) by the County and is situated within the State Land Use Urban district.

AGENCY COMMENTS

The subject Application for an OHD Permit was reviewed by the required agencies and their respective comments are as follows:

1. The Hawaii County Department of Public Works (DPW): The DPW did not comment on this application as of this date;
2. The Department of Water Supply (DWS): See attached memorandum dated May 23, 2019 (**Exhibit A**);
3. The Hawai'i County Fire Department (HFD): The HFD did not comment on this application as of this date;
4. The State of Hawai'i Department of Health (DOH): The DOH did not comment on this application as of this date.

COMMUNITY COMMENTS

Notice were sent to surrounding property owners on April 16, 2019 and May 15, 2019. No Comments were received.

ADDITIONAL FINDINGS

We note the following documents that accompanied your application:

The original and notarized affidavits of Richard & Shannon Randall, dated March 11, 2019, included with the OHD application states:

- 1) *Richard & Shannon Randall are the Title Holders (in fee) of subject TMK (3) 7-3-023-02 located at 73-1130 Ahikawa Street, Kailua-Kona HI 96740..*
- 2) *Mr. Richard Randall & Mrs. Shannon Randall further declare and state: The subject property is free from any restrictions, covenant or other land use restrictions applicable to the lot by way of deed or lease or other provisions do not prohibit the construction or placement of an Ohana dwelling unit or second unit.*

ANALYSIS

The proposed building site for the subject OHD application is a legal lot of record greater than 10,000 square feet located within the Agricultural district and is designated Urban by the State Land Use Commission. Additional dwellings are not normally permitted on this lot, and there is no guest house located on the property. There are no pending subdivision actions affecting the subject TMK property, nor has any variance, Planned Unit Development, Cluster Plan Development, or other preemption from requirements of the Hawai'i County Code been granted. There has not been a previously approved variance from the Subdivision Code (Chapter 23) and the Zoning Code (Chapter 25) on the property, nor are there any conditions within a change of zone ordinance that would prohibit an OHD. The applicant has not submitted any OHD applications in the previous two years. Therefore, the application meets the requirements for an OHD Permit.

The Department of Water Supply has stated in its memorandum dated May 23, 2019, *" that the subject parcel is currently served by a 5/8 inch meter (Account No. 937-35823) which is adequate for only one (1) dwelling at an average daily usage of 400 gallons. Inasmuch as this application is proposing an additional dwelling, the installation of a separate 5/8-inch meter will be required. Water can be made available from the Department's existing 6-inch waterline within Ahikawa Street, fronting the subject parcel."*
