Variance No. 155

The request of Alfred S. F. Tan for a minor variance from the zoning regulations having come before the County Planning Commission, at its regular meeting on Friday, March 18, 1966, the Commission finds that:

1. The land for which the minor variance is requested is a portion of Lot 718, Waiakea Homesteads, Grant 11310, Waiakea, South Hilo, Hawaii and indicated on the Taxation Maps as Parcel 2-4-17-16;
2. Pertinent zoning regulations presently applicable to said land are Section 3-C and Section 6, Ordinance No. 23 of the Revised Ordinances of the County of Hawaii 1960, which specifically prohibit lot sizes of less than 15,000 square feet for each single-family dwelling in the area in which said land is located;
3. The total area of the lot is 43,560 square feet, and the applicant proposes to create 2 lots of 15,000 square feet and the 3rd lot of 13,560 square feet each;
4. Because the area of the lot is so close to the area requirement for subdivision into three lots, denial of the application will result in hardship;
5. The desired relief may be granted and at the same time the public interest and general welfare will be protected, and the fire, health, and safety hazards of the surrounding property will not be affected.

NOW THEREFORE, the County Planning Commission, pursuant to the authority vested in it by Section 22, Ordinance No. 23 of the Revised Ordinances of the County of Hawaii 1960, hereby recommends to the Board of Supervisors that a minor variance be granted to the applicant from the terms of Section 3-C and Section 6, Ordinances No. 23 of the Revised Ordinances of the County of Hawaii 1960, in order to allow the creation of one lot 1,440 square feet below the area requirement of the district.

Dated at Hilo, Hawaii, this 18th day of March, A. D. 1966.
