Variance No. 167

P E R M I T

The request of Masaki Ikeda for a minor variance from the zoning regulations having come before the County Planning Commission at its regular meeting on Friday, March 15, 1968, the Commission finds that:

1. The land for which the minor variance is requested is Lot 6, being portion of Lot 515-A, Grant 9700, Waiakea Homesteads, Waiakea, South Hilo, Hawaii and indicated on the Taxation Maps as 2-4-14:12;
2. Pertinent zoning regulations presently applicable to said land are Sections 3-C and 6, Ordinance No. 23 of the Revised Ordinances of the County of Hawaii 1960, which specifically prohibit lot sizes of less than 15,000 square feet for each single-family dwelling in the area in which said land is located;
3. The total area of the lot is 43,584 square feet and the applicant proposed to create 2 lots of 15,000 square feet and the 3rd lot of 13,584 square feet each;
4. Because the area of the lot is so close to the area requirement for subdivision into three lots, denial of the application will result in hardship;
5. The desired relief may be granted and at the same time the public interest and general welfare will be protected, and the fire, health, and safety hazards of the surrounding property will not be affected.

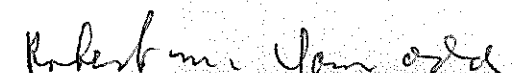

NOW THEREFORE, the County Planning Commission pursuant to the authority vested in it by Section 22, Ordinance No. 23 of the Revised Ordinances of the County of Hawaii 1960, hereby recommends to the Board of Supervisors that a minor variance be granted to the applicant from the terms of Sections 3-C and 6, Ordinance No. 23 of the Revised Ordinances of the County of Hawaii 1960, in order to allow the creation of one lot 1,416 square feet below the area requirement of the district.

Dated at Hilo, Hawaii, this 29th day of March, A.D., 1968.
