VARIANCE PERMIT

The County Planning Commission at a duly held public hearing on May 11, 1972, considered the application of the U. S. Corps of Engineers for a variance from Section 9-H, Ordinance No. 62 of the Revised Ordinances of the County of Hawaii 1967, as amended. More specifically, the request was to allow the waivering of the requirement of monumenting of a newly created 2.789 acre parcel located in the Kilauea Forest Reserve area, Keauhou, Ka'u, Hawaii, TMK: 9-9-01: por. 4.

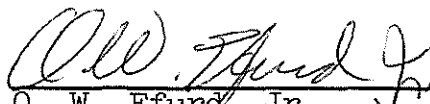

The Commission has found that the purpose of the subdivision is to provide a water catchment area to serve the Kilauea Military Camp area. Thus, granting of the variance would be serving a public need and would not be materially detrimental to the public health, safety or welfare.

Therefore, the Commission hereby grants to the applicant a variance to waiver the requirement of monumenting of a newly created 2.789 acre parcel pursuant to the authority vested in it by Section 36 of said Ordinance.

The effective date of this permit shall be from May 11, 1972.

Dated at Hilo, Hawaii, this 15th day of June, 1972.
