Dear Mr. Rapoza:

Variance Application  
Tax Map Key 1-8-02:35

The Planning Commission at its duly held public hearing on July 20, 1978, considered your application for a variance to allow direct off-street parking on the northwestern side of the Volcano Highway, Mt. View, Ola'a, Puna, Hawaii.

The Commission voted to approve your application effective July 20, 1978, based on certain reasons and subject to certain conditions. The Variance Permit is presently being prepared. Since the Commission's vote to approve your request was not based on the staff's recommendation, the draft of the permit must be circulated among all the Commissioners who voted affirmatively. Therefore, when the official permit is prepared, we will be forwarding it to you.

In the meantime, should you have any questions, please feel free to contact Ilima Piianaia of the Planning Department at 961-8288.

Sincerely,

William F. Mielcke  
Chairman, Planning Commission
