SECTION 2. This change in district classification is conditioned upon the following: (A) the petitioners, successors or its assigns shall be responsible for complying with all of the stated conditions of approval; (B) it shall be demonstrated to the satisfaction of the Planning Director that substantial agricultural activity is being conducted on the lands being considered for subdivision under these change of zone requests. For the purpose of this condition "agriculture" shall be defined as the cultivation of crops, including but not limited to flowers, vegetables, foliage, fruits, forage and timber; game propagation; raising of livestock, including but not limited to poultry, bees, fish or other animal or aquatic life that are propagated for economic or personal use. An agricultural activity will be considered substantial: (1) if such activity is implementing a conservation program for the affected property(ies), as approved by the applicable soil and water conservation district directors and filed with the Soil Conservation Service; (2) if it provides a major source of income to the person(s) who reside on the property; or (3) if the property is dedicated for Agriculture uses in accordance with applicable Tax Department procedures and that such agriculture dedication shall be made a deed covenant and duly recorded with the State Bureau of Conveyances and with a copy filed with the Planning Department. The execution of a farm

dwelling agreement may also suffice in lieu of the above requirements. Each approved lot must comply with one or more of the above requirements to satisfy the conditions of approval of these change of zone requests; (C) subdivision plans shall be submitted to the Planning Department within one year from the effective date of the zone change. Final subdivision approval shall be secured within one year from the date of receipt of tentative subdivision approval; (D) a drainage system shall be installed in accordance with the requirements of the Department of Public Works; (E) only one access shall be allowed to the proposed subdivision from Ala Kahua Drive. Such access shall meet with the approval of the Department of Public Works; and (F) all other applicable rules, regulations and requirements be complied with. The Planning Director may administratively grant extensions to the foregoing time condition. Further, should any of the conditions not be met or substantially complied with in a timely fashion, the Planning Director may initiate rezoning of the property to its original or more appropriate designation.

SECTION 3. In the event that any portion of this ordinance is declared invalid, such invalidity shall not affect the other parts of this ordinance.

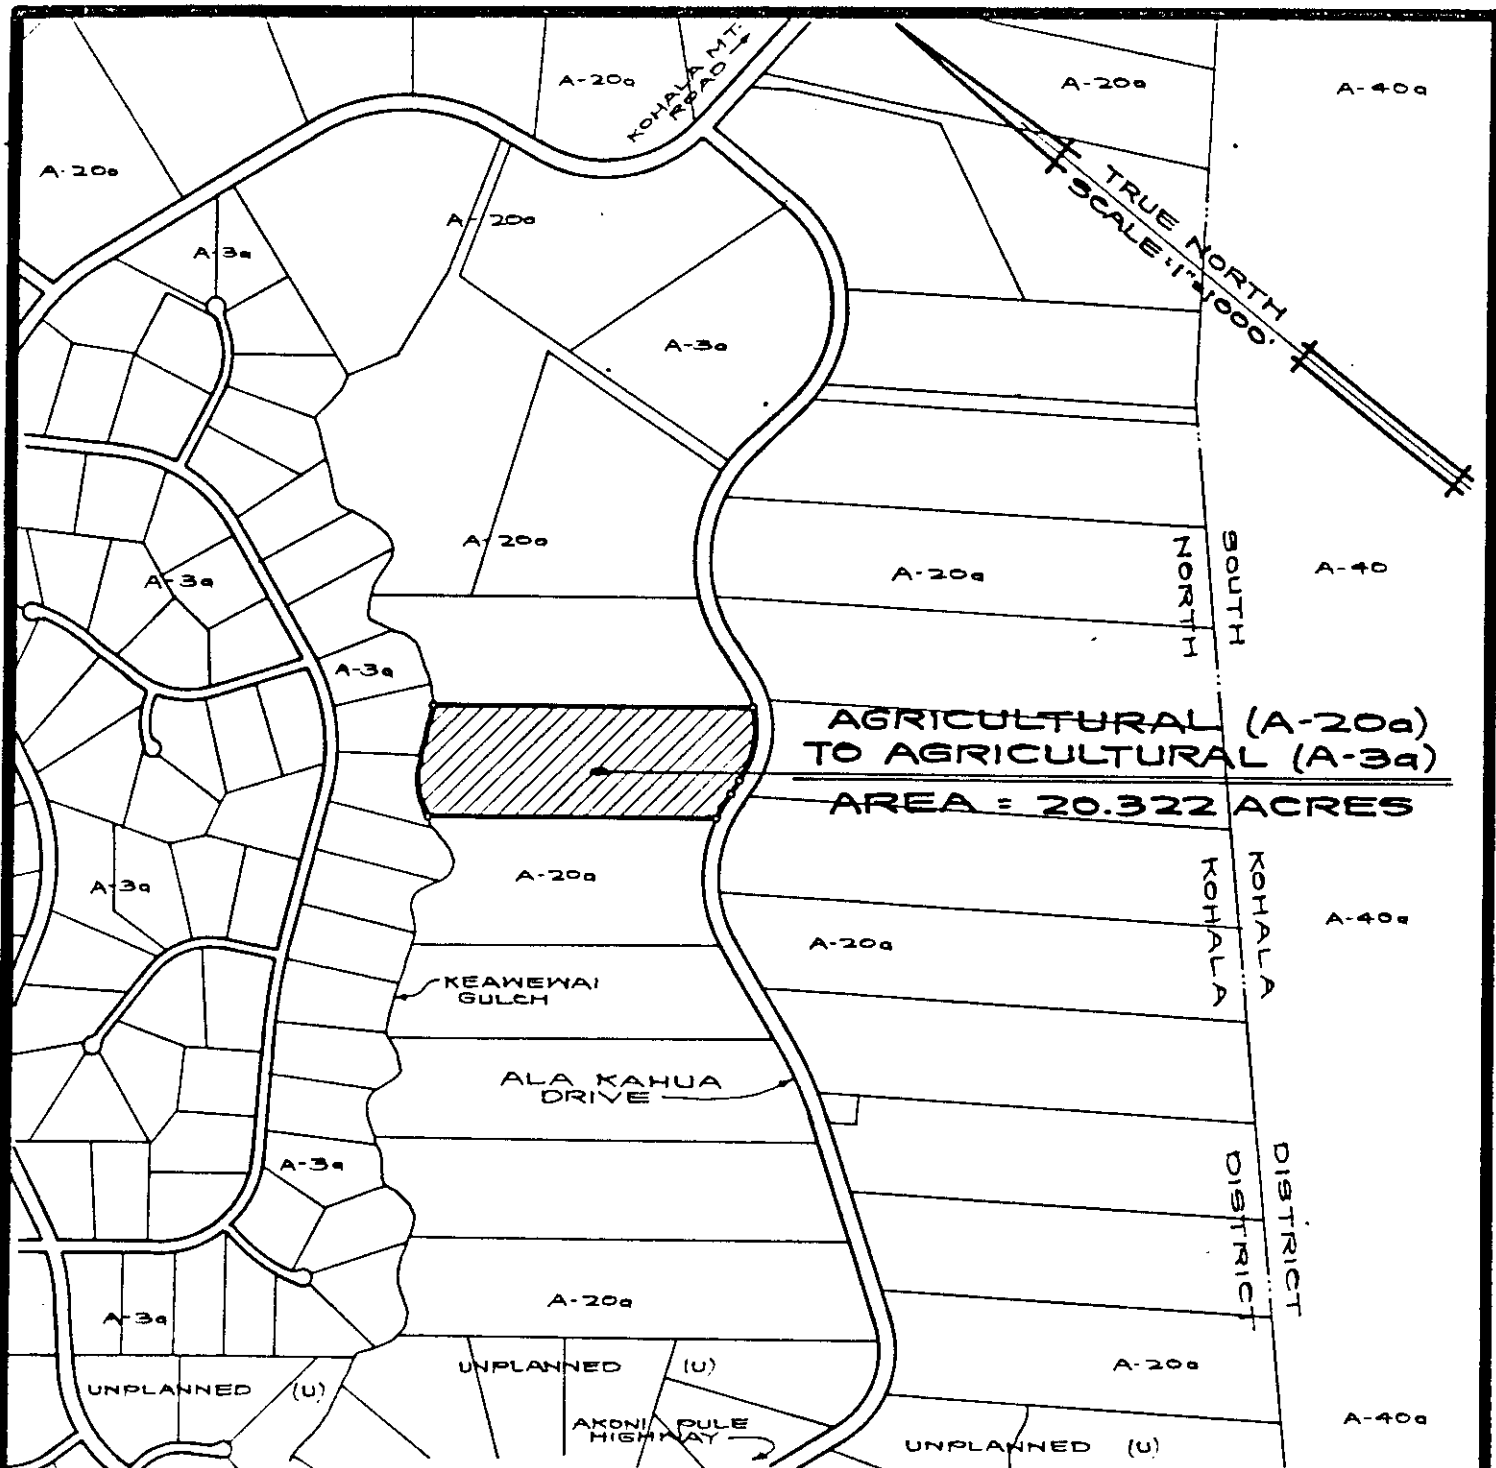

SECTION 4. This ordinance shall take effect upon its approval.
