All as shown on the map attached hereto, marked Exhibit "A" and by reference made a part hereof.

SECTION 2. This change in district classification is conditioned upon the following: (A) the applicant, successors, or assigns shall be responsible for complying with all of the stated conditions of approval; (B) subdivision plans shall be submitted within one year from the effective date of the zone change; (C) a drainage system in accordance with the requirements of the Department of Public Works shall be installed; (D) with the exception of the existing driveway, all accesses to the proposed lots shall be from the interior roadway, meeting with the approval of the Department of Public Works; (E) all other applicable laws, rules, regulations and requirements shall be complied with; (F) should the council adopt a Unified Impact Fees ordinance setting forth criteria for the imposition of exactions or the assessment of impact

fees, conditions included herein may, at the developer's election, be satisfied by performance in accordance with the requirements of the Unified Impact Fees Ordinance; (G) an annual progress report shall be submitted to the Planning Director prior to the anniversary date of the effective date of the zone change. The report shall address the status of the development and the compliance with the conditions of approval. This condition shall remain in effect until all of the conditions of approval have been complied with and the Planning Director acknowledges that further reports are not required; and, (H) an initial extension of time for the performance of conditions within the ordinance may be granted by the Planning Director upon the following circumstances: 1) the non-performance is the result of conditions that could not have been foreseen or are beyond the control of the applicants, successors or assigns, and that are not the result of their fault or negligence; 2) granting of the time extension would not be contrary to the general plan or zoning code; 3) granting of the time extension would not be contrary to the original reasons for the granting of the change of zone; and 4) the time extension granted shall be for a period not to exceed the period originally granted for performance (i.e., a condition to be performed within one year may be extended for up to one additional year); and 5) if the applicant should require an additional extension of time, the Planning Director shall

submit the applicant's request to the County Council for appropriate action. Further, should any of the conditions not be met or substantially complied with in a timely fashion, the Director may initiate rezoning of the area to its original or more appropriate designation.

SECTION 3. In the event that any portion of the ordinance is declared invalid, such invalidity shall not affect the other parts of this ordinance.

SECTION 4. This ordinance shall take effect upon its approval.
