- B. The applicants, successors or assigns shall be responsible for complying with all requirements of Chapter 205, Hawaii Revised Statutes, relating to permissible uses within the State Land Use Rural District.
- C. Final Subdivision Approval of the proposed subdivision within the subject property shall be secured from the Planning Director.
- D. Access to the subject property from Kanehoa Street shall meet with the requirements of the Department of Public Works.
- E. At the time improvements at the Route 19/Anekona Street intersection are made by the Department of Transportation, the applicants shall pay their fair share amount for the required improvements which will be determined by the Planning Director in consultation with the Department of Transportation.

- F. Should any remains of historic sites, such as rock walls, terraces, platforms, marine shell concentrations or human burials be encountered, work in the immediate area shall cease and the Department of Land and Natural Resources-Historic Preservation Division (DLNR-HPD) shall be immediately notified. Subsequent work shall proceed upon an archaeological clearance from the DLNR-HPD when it finds that sufficient mitigative measures have been taken.

- G. Restrictive covenants in the deeds of all the proposed residential lots within the subject property shall prohibit the construction of a second dwelling unit on each lot. A copy of the proposed covenant(s) to be recorded with the Bureau of Conveyances shall be submitted to the Planning Director for review and approval prior to the issuance of Final Subdivision Approval. - J. An initial extension of time for the performance of conditions within the ordinance may be granted by the Planning Director upon the following circumstances:

1. The non-performance is the result of conditions that could not have been foreseen or are beyond the control of the applicants, its successors or assigns, and that are not the result of their fault or negligence.
 2. Granting of the time extension would not be contrary to the General Plan or Zoning Code.
 3. Granting of the time extension would not be contrary to the original reasons for the granting of the change of zone.
 4. The time extension granted shall be for a period not to exceed the period originally granted for performance (i.e., a condition to be performed within one year may be extended for up to one additional year).
 5. If the applicants should require an additional extension of time, the Planning Director shall submit the applicant's request to the County Council for appropriate action.
- K. Should any of the conditions not be met or substantially complied with in a timely fashion, the Director may initiate rezoning of the subject area to its original or more appropriate designation.

SECTION 3. In the event that any portion of this ordinance is declared invalid, such invalidity shall not affect the other parts of this ordinance.
