Dear Mr. Grady:

Subject: Boundary Interpretation No. 91-36 for TMK.
No.: 5-7-02: 11; 5-7-03: 1, 2, 3, 10, 13 &
15, Mahukona, North Kohala, Hawaii

Pursuant to your July 11, 1991 letter requesting a boundary interpretation for the subject area, please be advised that based on the maps and material you have provided, we have delineated the State Land Use Conservation / Agricultural District boundary on the enclosed maps. We are also returning your 1965 aerial photograph as requested.

As pointed out to you by my staff the previous boundary interpretation dated February 12, 1991 and B. I. No. 90-12 (dated March 20, 1991) is superceded by this boundary interpretation.

If you have any questions, please call Fred Talon or Bert Saruwatari of our office at 587-3822.

Sincerely,

Esther Ueda,
