Dear Mr. Dalere:

Subject: Boundary Interpretation No. 91-40 for
TMK. No.:8-7-13: 06, Opihihale 1st, South
Kona, Hawaii

Pursuant to your letter dated August 21, 1991 requesting a boundary interpretation for the subject area, please be advised that our records indicate that the Conservation District boundary on the subject property extends from the shoreline to approximately 300 feet inland. For a more precise determination of the Conservation District boundary, we would require a map of the current certified shoreline boundary.

If you have any questions, please call Bert Saruwatari or Fred Talon of our office at 548-3074.

Sincerely,

A handwritten signature in cursive script, appearing to read "Esther Ueda".

Esther Ueda,
