Dear Ms. Fong:

Subject: BOUNDARY INTERPRETATION No. 93-52 for TMK No.:
3-2-02: 17 & 3-2-04: 25, Piha Homestead, North
Hilo, Hawaii

Pursuant to your November 8, 1993 letter requesting a boundary interpretation for the subject parcels, please be advised that we have determined an approximate location of the State Land Use Conservation / Agricultural District boundaries.

The location of the district boundaries is based on the Commission's records and the official maps currently on file at our office and information which you provided. For your information the State Land Use Conservation / Agricultural District boundary follows the "Top of Pali".

A blueline print of your maps with approximate locations of the State Land Use Conservation / Agricultural District boundary delineated is enclosed for your reference.

If you have any questions, please call Fred Talon or Bert Saruwatari of my staff at 587-3822.

Sincerely,

ESTHER UEDA
Executive Officer
