Dear Ms. Borsa:

Subject: BOUNDARY INTERPRETATION No. 94-25 for TMK No.:
3-2-04: 27, Piha Homesteads, North Hilo, Hawaii

Pursuant to your July 21, 1994 letter requesting a boundary interpretation for the subject parcel, we have enclosed a copy of a previous Boundary Interpretation (No. 87-46) dated 8/10/87 prepared for the adjacent parcels, TMK No.: 3-2-04: 1, 2, 3, 6, 13, 14, and 17, which also approximately delineates the State Land Use Conservation / Agricultural District boundary for the subject parcel (highlighted in yellow).

For your information, the State Land Use Conservation / Agricultural District boundary follows the "Edge of Gulch."

For a more precise location of the Conservation / Agricultural District boundary, we would require a map of your parcel and the "Edge of Gulch" designated in metes and bounds.

If you have any questions, please call Dennis Kim or Bert Saruwatari of my staff at 587-3822.

Sincerely,

A handwritten signature in cursive script, appearing to read "Esther Ueda".
