Dear Ms. Clarkson:

Subject: BOUNDARY INTERPRETATION No. 96-02 for TMK No.: 3-9-01: 24,  
Ookala, North Hilo, Hawai'i

Pursuant to your January 18, 1996 letter requesting a boundary interpretation for the subject parcel, please be advised that we have determined an approximate location of the State Land Use Agricultural / Conservation District.

Our determination is based on the Commission's records and official maps currently on file at our office and the map that you provided.

For your information, the Agricultural / Conservation District boundary on the subject parcel is located approximately at the 200 foot contour line and at the "top of pali." For a more precise determination of the boundary, we would require a survey map in metes and bounds signed and stamped by a registered professional surveyor. The contour lines and the top of pali should be represented on the survey map.

A copy of Tax Map 3-9-01 with an approximate State Land Use Agricultural / Conservation District boundary delineated is enclosed for your reference.

If you have any questions, please call Fred Talon or Bert Saruwatari of my staff at 587-3822.

Sincerely,

ESTHER UEDA  
Executive Officer
