Dear Ms. Yamasaki:

Subject: BOUNDARY INTERPRETATION No. 96-23, TMK: 9-2-01: 72, 75 & 76, Kahuku, Ka'u, Hawai'i

Please be advised that we have determined the location of the State Land Use Agricultural / Conservation District boundary on your second revised Exhibit Map Showing Lots 1, 2, and 3, transmitted with your letter dated July 19, 1996.

For your information, it appears that the representation of the contours on your revised map is incorrect. Specifically, the location of the contours on the map seems to be located approximately 100 feet higher (mauka) than the same contours of SLU District boundary maps H-22, H-23A, and H-33.

A copy of your map with the State Land Use Agricultural / Conservation District boundary delineated is enclosed for your reference.

If you have any questions, please call me or Bert Saruwatari of my staff at 587-3822.

Sincerely,

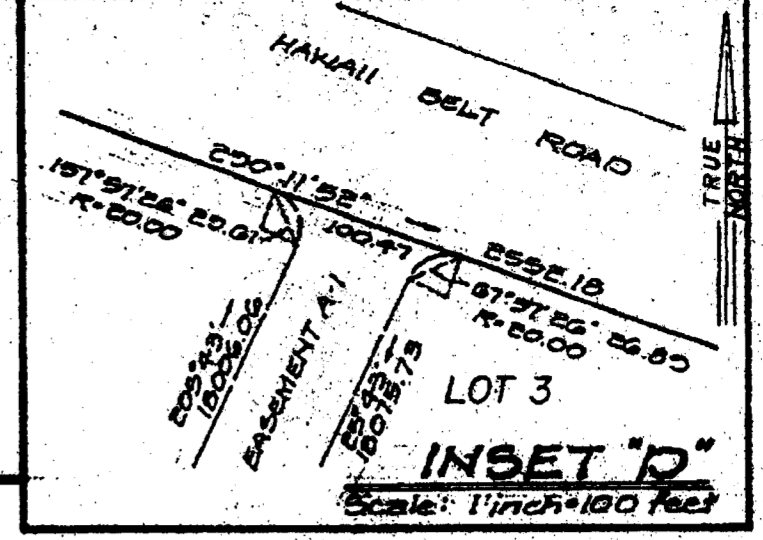

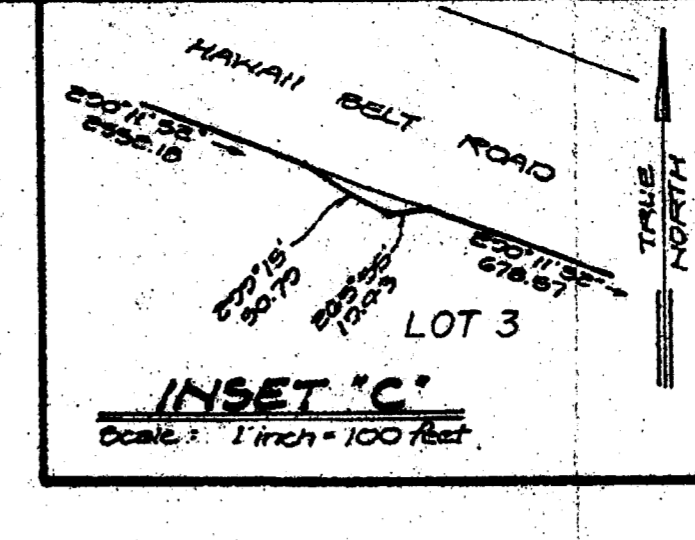

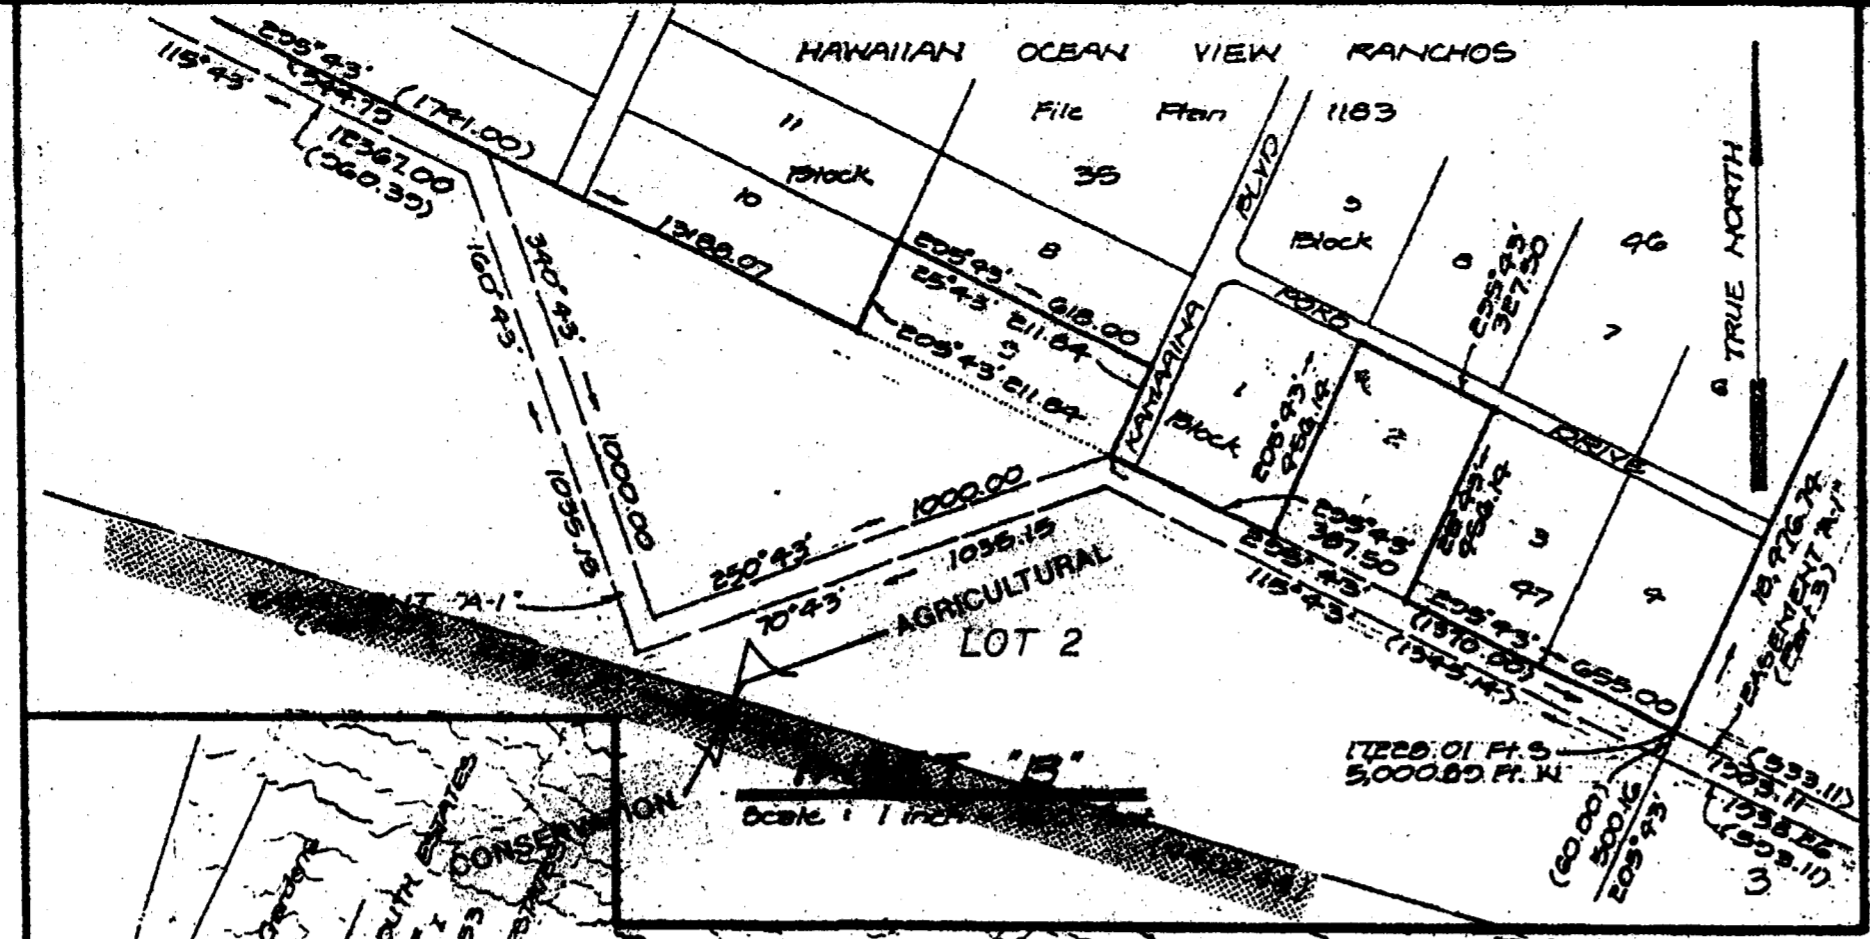

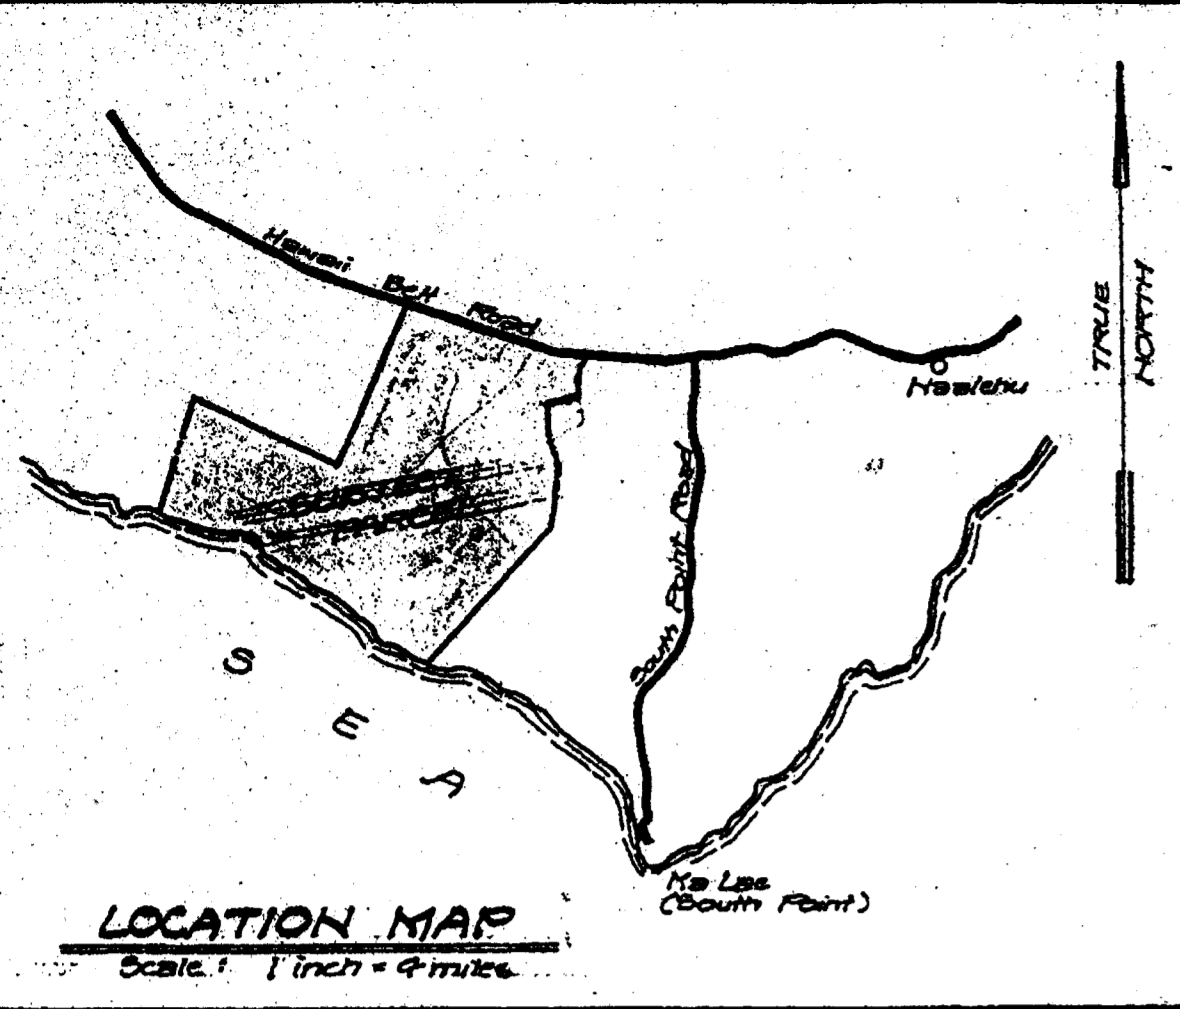

ESTHER UEDA
Executive Officer
