Subject: BOUNDARY INTERPRETATION No. 97-25 for Tax Map Key: 8-1-10: 3 & 8-2-02: 2, Kealakekua - Ka`awaloa, South Kona, Hawai'i

Pursuant to your July 3, 1997, letter requesting a boundary interpretation for the subject parcels, please be advised that we have determined the location of the State Land Use Urban / Agricultural / Conservation District boundaries.

Our determination is based on the Commission's records and official maps currently on file at our office, the new map that you provided, and on the understanding that the metes and bounds on the Kaawaloa Section of Lot 1 (Revised) on said map reflect a more accurate representation of the metes and bounds based on your additional field work than that represented on your previous map for BI No. 96-44 prepared for the subject parcels.

A copy of your new map with the location of the State Land Use Urban / Agricultural / Conservation District boundaries delineated is enclosed for your reference.

If you have any questions, please call Fred Talon or Bert Saruwatari of my staff at 587-3822.

Sincerely,

ESTHER UEDA
