Dear Ms. Aguiar:

Subject: BOUNDARY INTERPRETATION No.: 98-04 for Tax Map Key: 3-6-06:  
47 & 79, Waipunalei, North Hilo, Hawai`i

Pursuant to your January 26, 1998, letter requesting a boundary interpretation for the subject parcels, please be advised that we have determined an approximate location of the State Land Use Agricultural / Conservation District boundary.

Our determination is based on the Commission's records and official maps currently on file at our office. For a more precise determination of the State Land Use Agricultural / Conservation District boundary on the subject parcels, we would require a survey map with the tops of the pali of Ka`awalii and Laupahoehoe Stream valleys delineated in metes and bounds. Said map should be prepared by a registered professional surveyor.

A copy of your map with an approximate State Land Use Agricultural / Conservation District boundary delineated is enclosed for your reference.

If you have any questions, please call Fred Talon or Bert Saruwatari of my staff at 587-3822.

Sincerely,

ESTHER UEDA  
Executive Officer
